MR. AND MS. LSU-S

Tommy Brown and Denise Clingan were named Mr. and Ms. LSUS for 1976-1977. Brown, a junior, has been student director of Intramural sports, 2nd vice president in the Honor Society, and Health and Science Club officer. He has been captain and co-captain for two years on the Misfits softball, basketball, and football teams. He was on the championship softball and basketball teams, and the 1976 all-star basketball team.

Clingan, a sophomore, has been a member of the SGA, Young Democrats, Delta Delta Delta sorority and the SGA Public Information Office. She was also a member of Intramural's powderpuff football team for Delta Delta Delta, and of the girl's all-star football team.

DREAMS DO COME TRUE . . .

ENGLAND, SCOTLAND, PARIS, GENEVA, BRUSSELS . . .

places of our dreams. Thirty-five LSUS students went to England with the Oxford program, and six students went to Dijon, France on a study program. For these people their dreams became reality for six weeks.

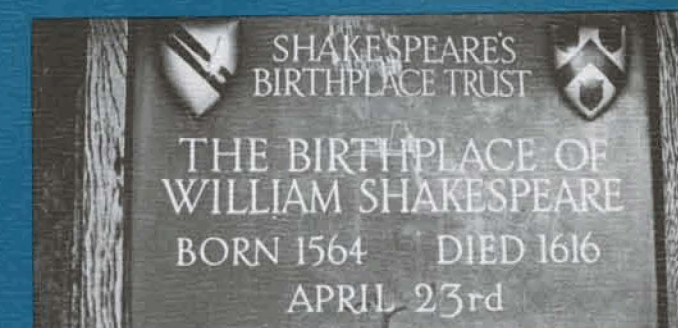

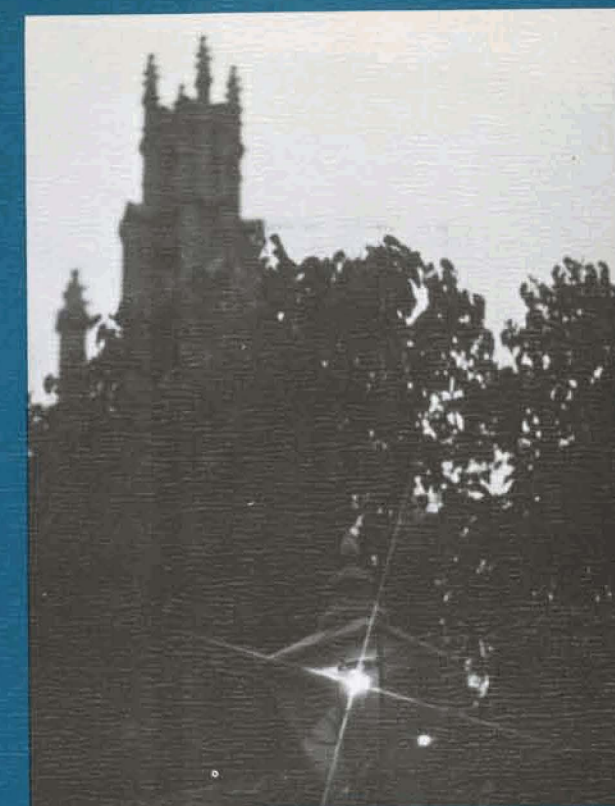

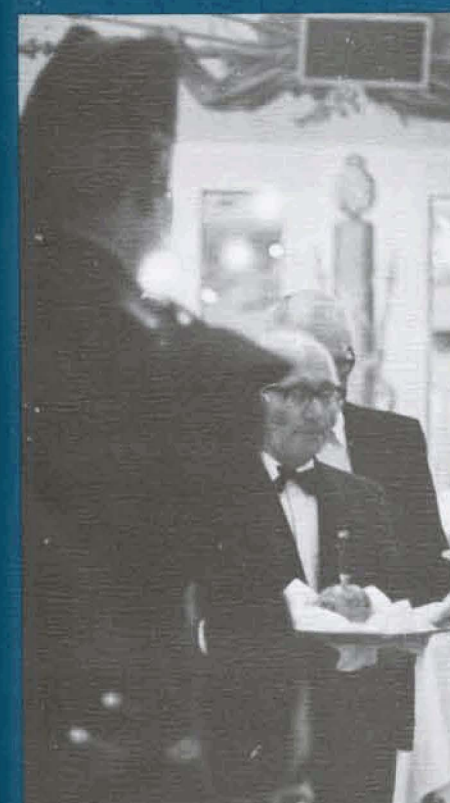

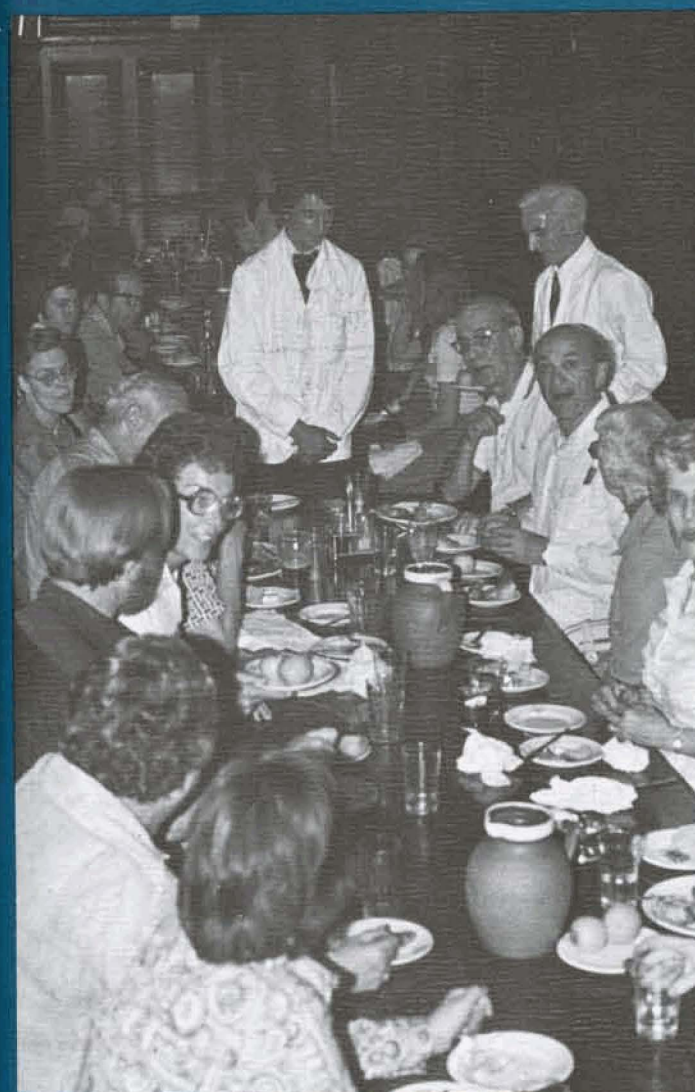

Both these groups attended class lectures at their respective universities, Oxford and Dijon. In addition, the Oxford group took sidetrips to Scotland, Cambridge, Canterbury, Stratford, London, and Wales. Most students noted two outstanding factors: the heat and the brown grass, both abnormal for England.

The Dijon group took university tours and trips with other students to Paris, Geneva, Brussels, and to the wine country of Loire Valley. These students lived with the French people to improve their knowledge of the language.

Marilyn Gibson and Albert Rieusech were group sponsors for the Oxford and Dijon groups respectively. Students of both groups received six credit hours in addition to discovering the beauty and history of the countries they visited.

SPOTLIGHTS

LSU-S ALUMNI ASSOCIATION

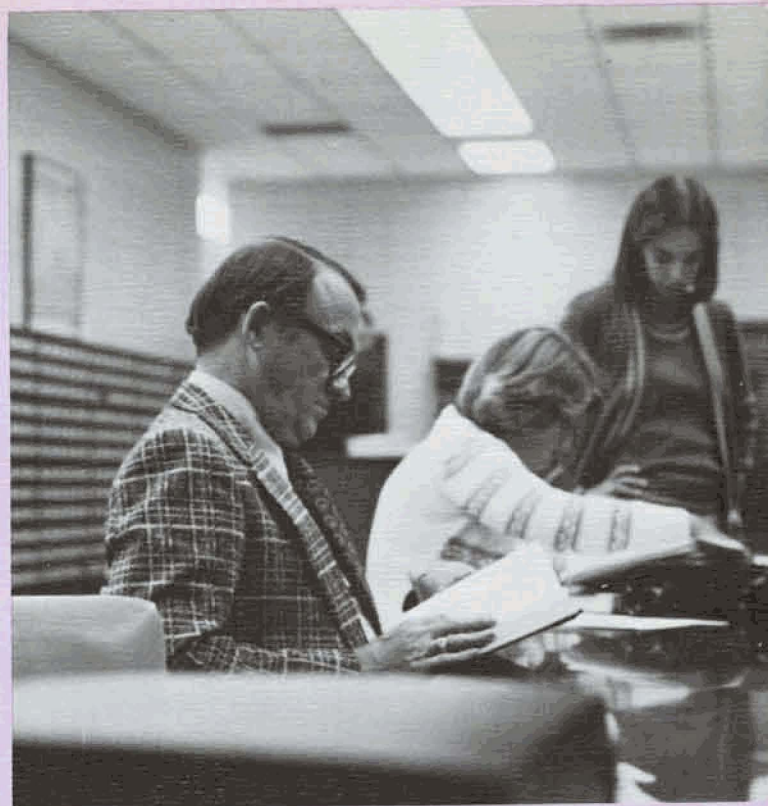

The LSUS Alumni Association was formed Aug. 28, 1976 with approximately 550 members. Activities and projects during the year included election of a board of directors, of which Randy Beach (Political Science, 1975) is president; ratification of a constitution and charter; appointment of various committees (membership, awards and scholarships, fund raising, legislative, high school relations, activities, and long-range planning); a state fair exhibit; and a December party. The purpose of the association, a non-profit entity, is to serve LSUS and its alumni. John R. Tabor is director of LSUS alumni affairs.

ALUMNI AT WORK FOR LSU-S

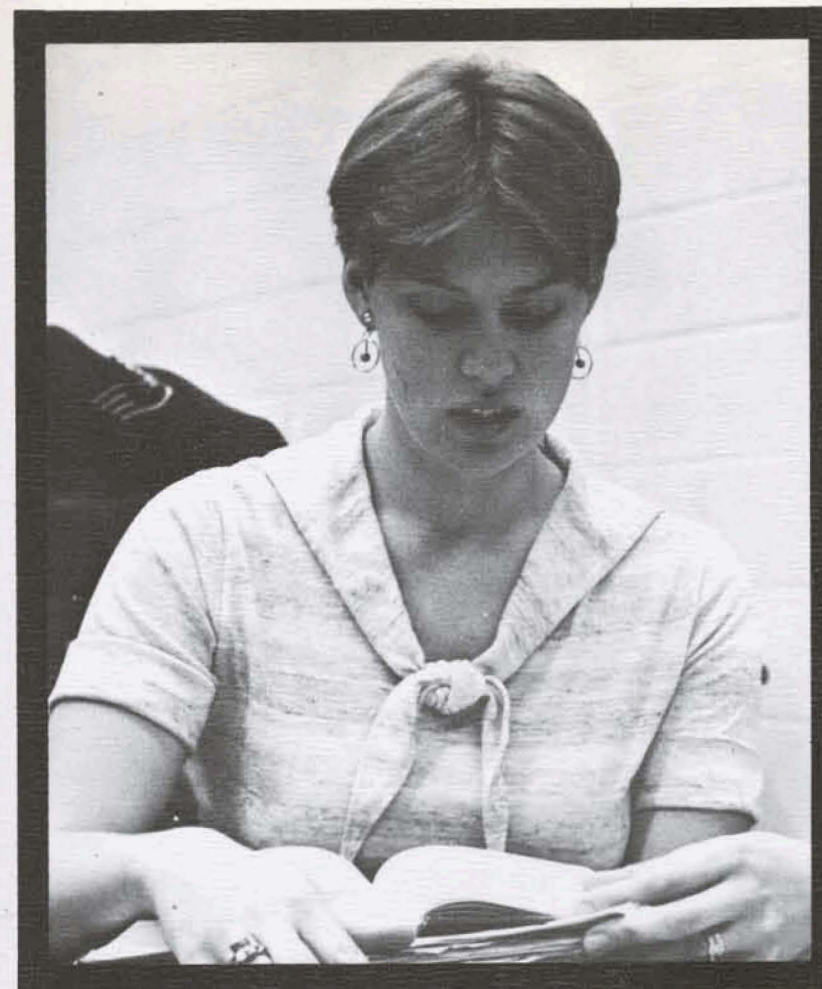

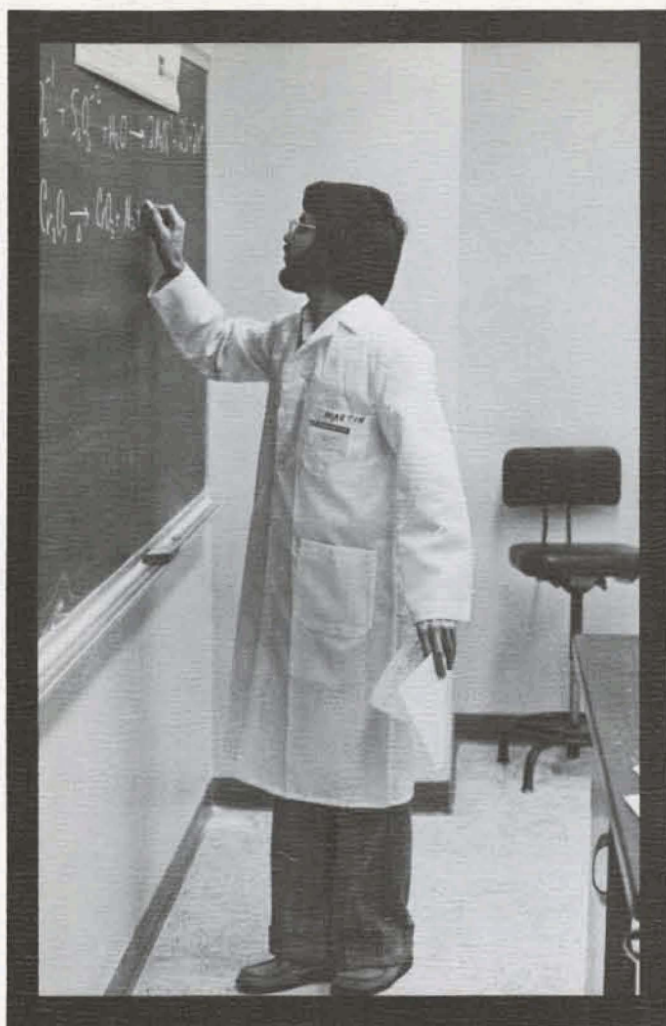

A little knowledge that acts is worth infinitely more than much knowledge that is idle.

Kahlil Gibran

DR. JOHN SILBER

The Artist's and Lecturer's Committee presented the controversial President of Boston University, Dr. John Silber. Dr. Silber captivated the audience in the Science Lecture Auditorium with his speech on contemporary world and political problems.

DROPPING A COURSE . . .

My first day in Chemistry
The professor explained
that each student there
had a particular range.

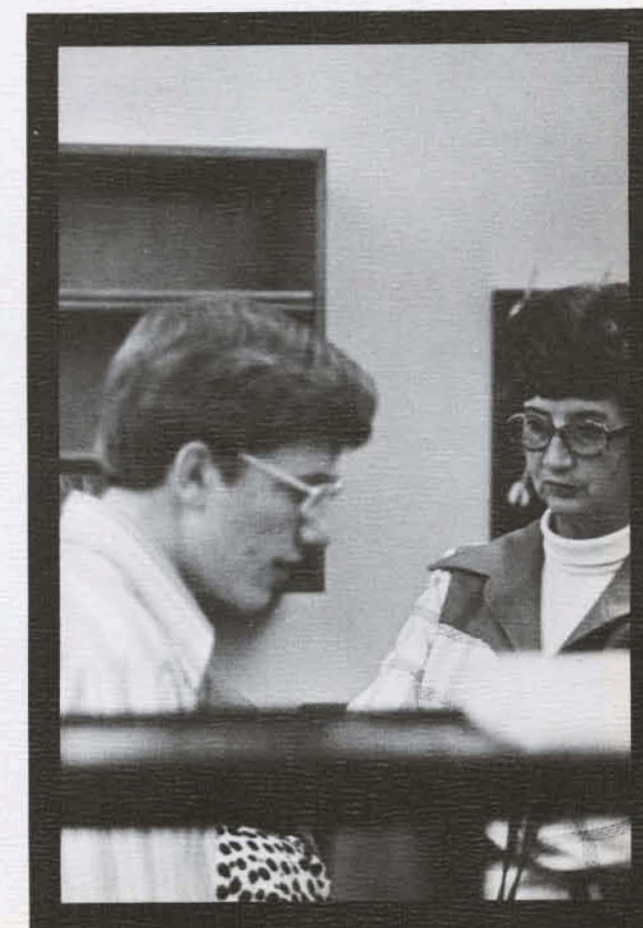

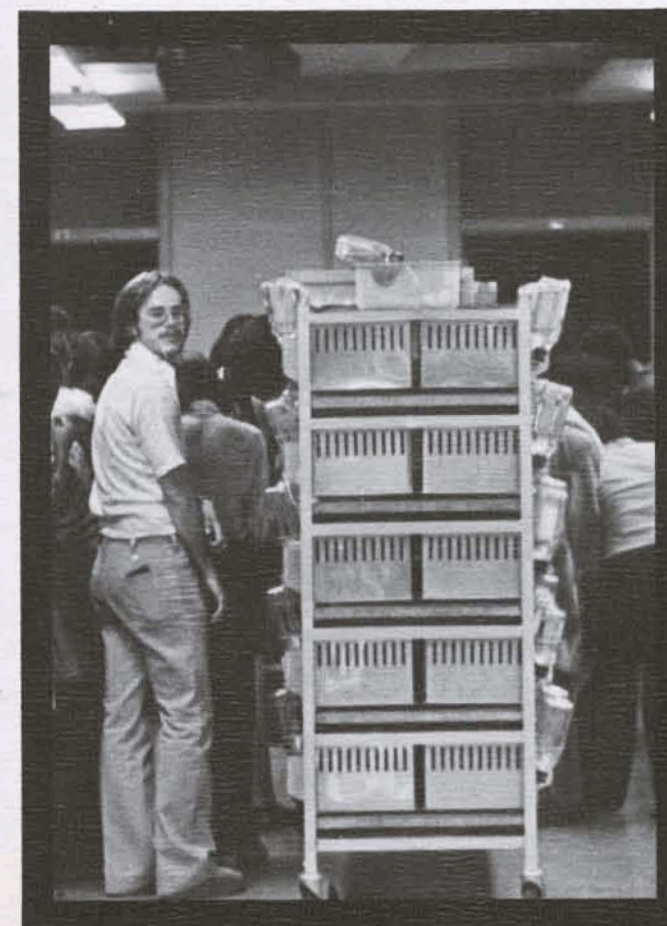

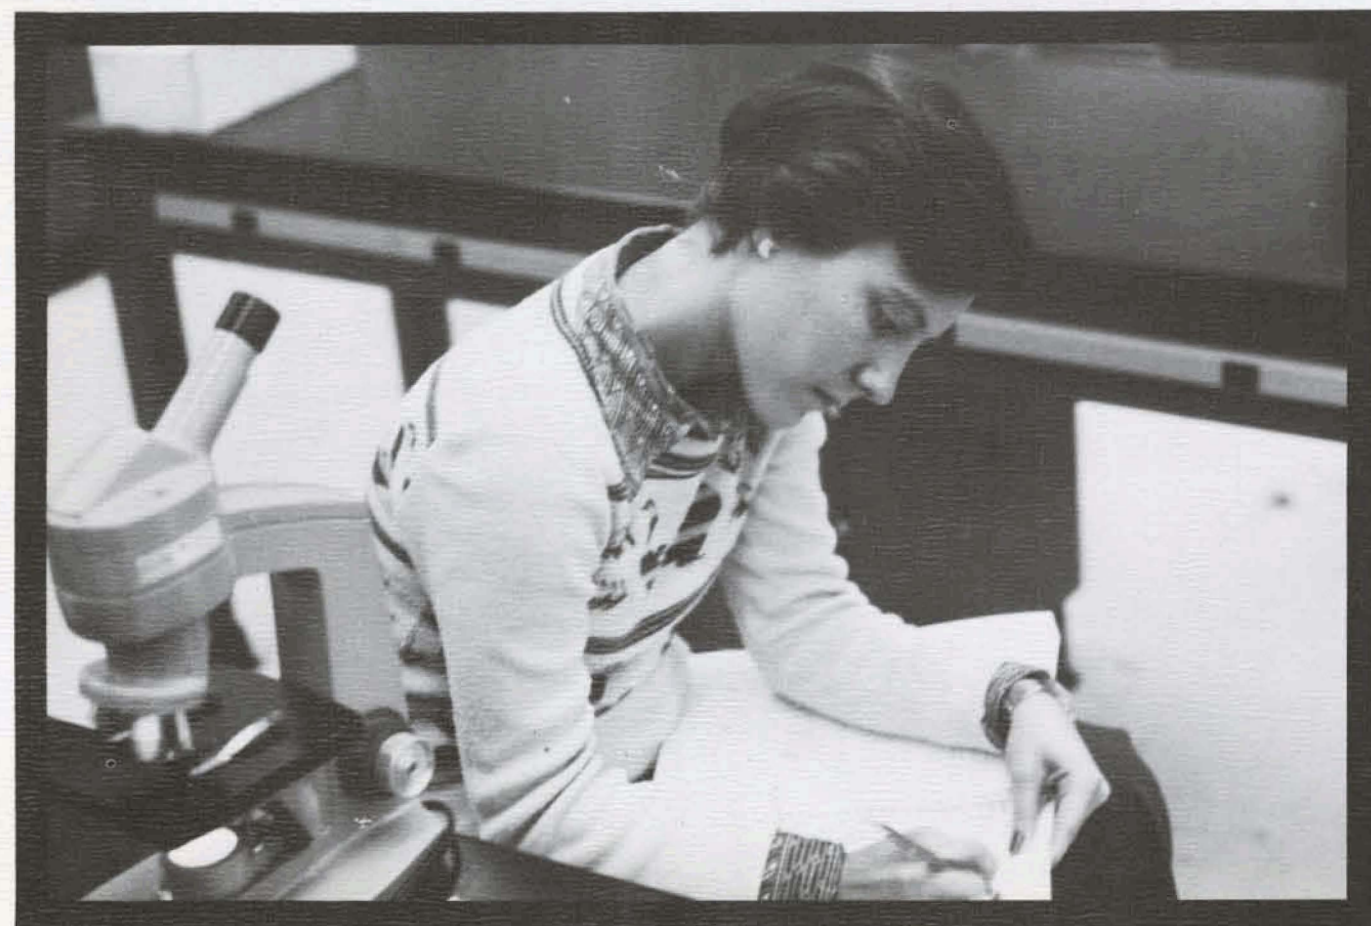

"A range for learning"
the words seemed absurd
and the more time went on
the more we all learned

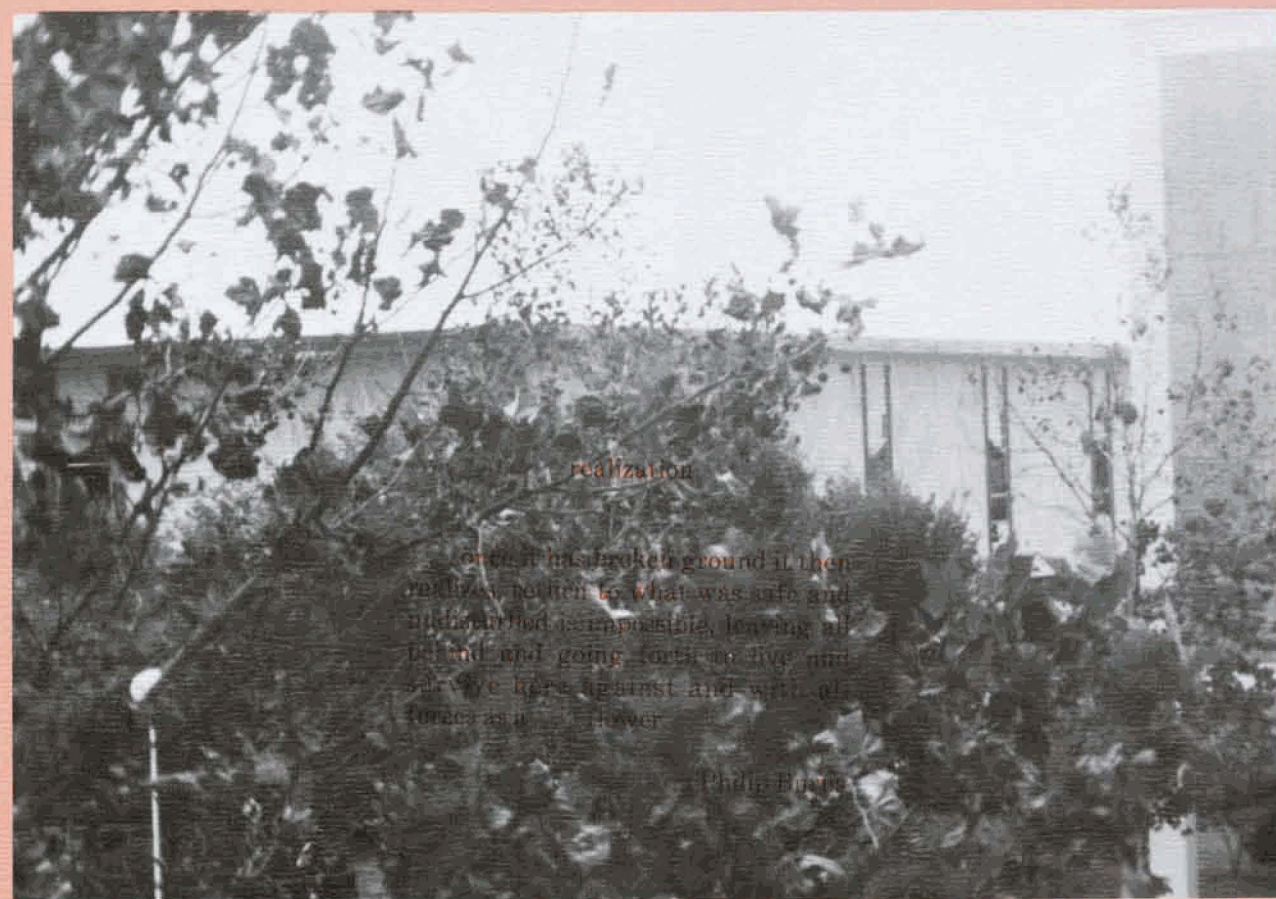

Some students dropped out
I thought, "They're just dumb."
Then one day I realized
that my day had come.

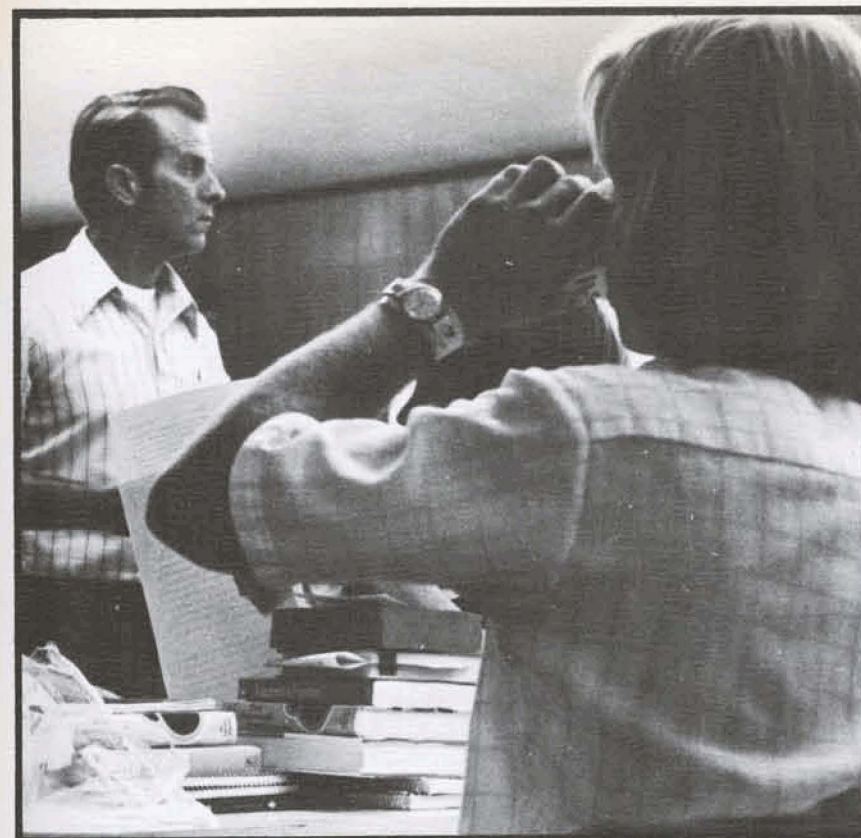

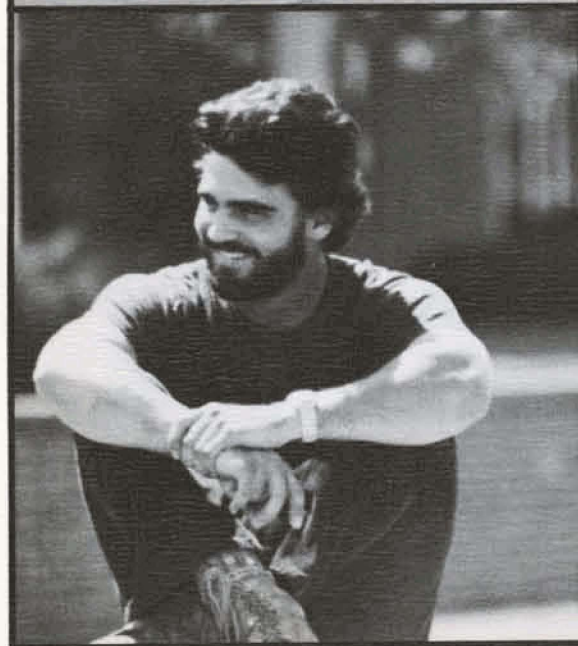

I tried to hang on —
but the harder I tried
the deeper I got
and the more I cried.

That same professor
one day advised me,
I remembered the day
and I set myself free.

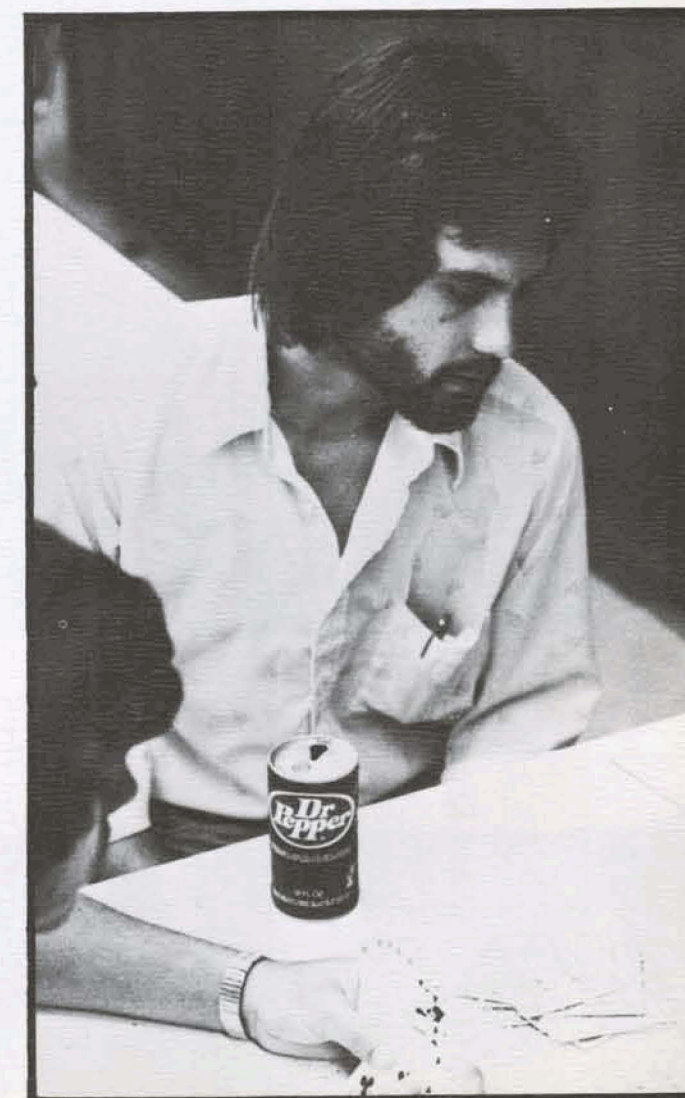

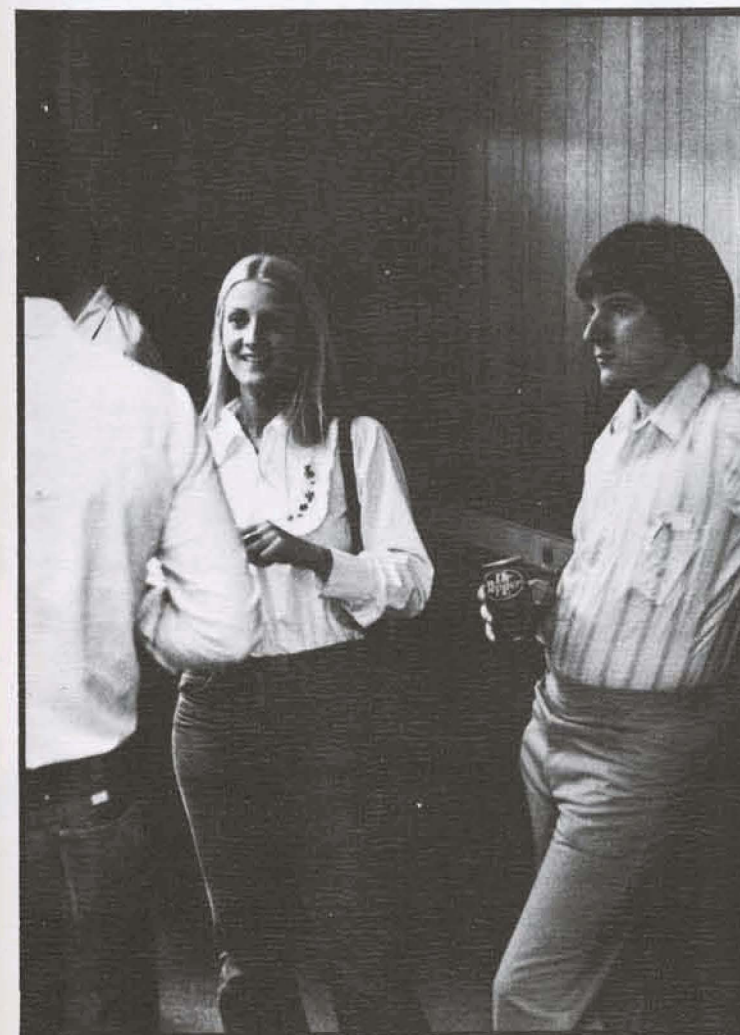

Elizabeth Wheeler

Delta

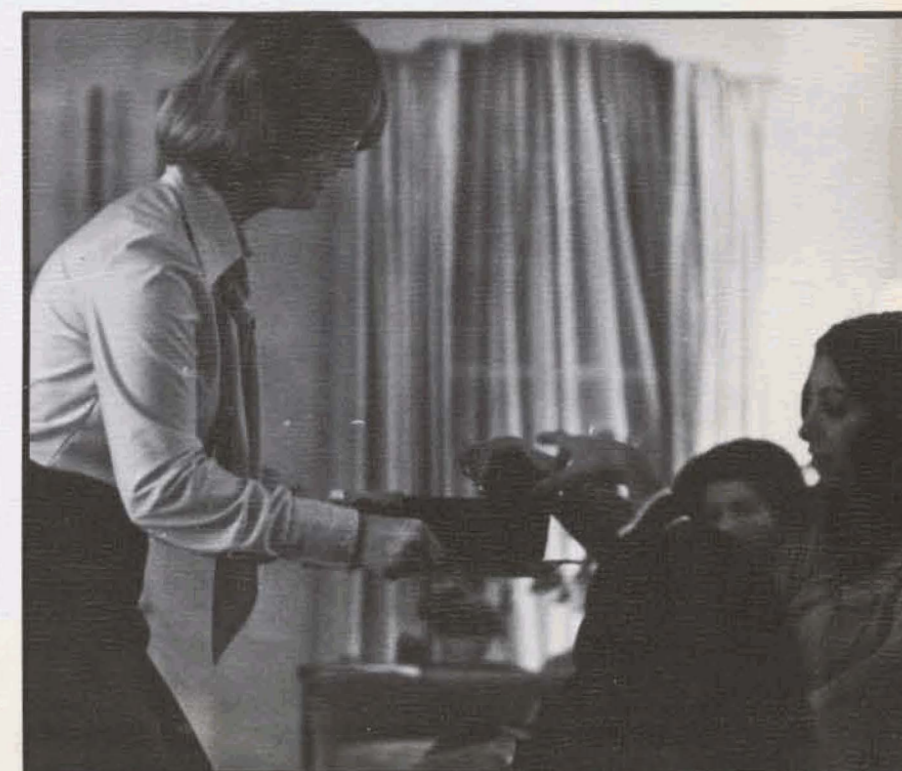

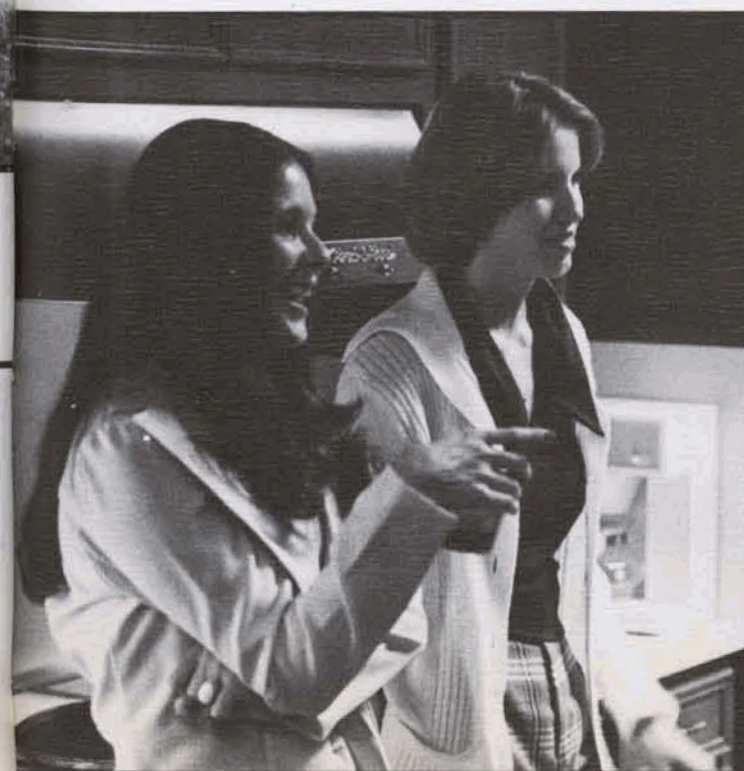

Delta

Delta

On Thanksgiving Eve, 1888, Sarah Ida Shaw founded Delta Delta Delta. Shaw recognized that a fraternal organization could meet the needs of college women nationwide. Hence, with the establishment of Tri-Delta, the collegiate life is broadened through social, moral, spiritual, and intellectual growth.

Delta Delta Delta, in satisfying their responsibilities to their school, their community, and the nation, actively sponsors two philanthropies. A scholarship is given on both the local and national level and contributions are made toward cancer research through the efforts of the sorority on Sleigh Bell Day.

Tri-Delta offers its members a beginning rich with tradition and a heritage of love and friendship.

Alpha Phi

(Front, left to right) Gina Gordey, Twila Parker, Beth Evans, Linda McGahen, Jill Mole, Andrea Gibson, Ann Valentine, Sherry Decker, Ingrid Cireno, Wanda Coe, Tammy LoveWell, Derinda Jarnagin; (Standing) Gale Perser, Marie Graham Owens, Jan Dazyek, Carolyn Cluck, Marcy DeLaune, Gail Overmyer, Mitzi Shipp Theo, Karen Franklin, Janice Zube, Jennifer Sartor, Jean Hines, Sharon Rainey, Candy Barr, Kelly Payton, Lisa Ray, Jane Ott.

Alpha Phi, the first international sorority to come to LSU-S offers to college women a platform of growth during their college years and throughout life. To Alpha Phis everywhere are open gates of warmth, friendliness and achievement. Founded on September 30, 1873, at Syracuse, New York, Alpha Phi has reached a membership span of 70,000. Cardiac Aid is Alpha Phi's national philanthropy of which two million dollars has been raised for the heart cause. For the Epsilon Tau chapter of Alpha Phi at LSU-S, 1976-77 started off with participation in the 1st Annual Dance Marathon Against Muscular Dystrophy which netted \$2300.00. Fall Rush netted 12 fantastic pledges and for the second consecutive year, Alpha Phi was No. 1 in the Powderpuff Football Championship. Continuing the traditions set by thousands of Alpha Phis, the LSU-S chapter stresses a sisterhood of a rich sense of belonging and love that will continue throughout a lifetime.

OFFICERS — (Left to right) Wanda Coe, Twilla Parker, Linda McGahen, Jill Mole, Marie Owens, Gina Cordey, Carolyn Cluck, Marcy DeLaune, Beth Evans and Derinda Jarnagin.

(Left to right) Sally Phillips, Susan Gonzales, Cathy Gaither, Patty Akins, Lisa LaBorde, Mary Hogmire, Cathy Crane, Jeannie McGowan, Nancy Alexander, Nancy Thomley, Susan Sproull, Vickie Urser, Donna Shaw, Karen Irvind, Dianna Wells, Susan Faubacher, Becky Hudsmith, Debra Higgins, Cindy Belcher, Sheryl Moore, Cathy Russell.

ZETA TAU ALPHA

Zeta Tau Alpha was founded on October 15, 1898, at Longwood College in the state of Virginia as a National Woman's Fraternity. Its nine founders realized that such a fraternity could fulfill the needs of college women, encompassing the spiritual, social, and intellectual development through sisterhood and service. Zeta's influence and guidance does not end with college graduation but continues through the fraternity's active alumnae program. Since 1898, the fraternity has grown profoundly to be among the largest in existence with collegiate and alumnae chapters in both the United States and Canada.

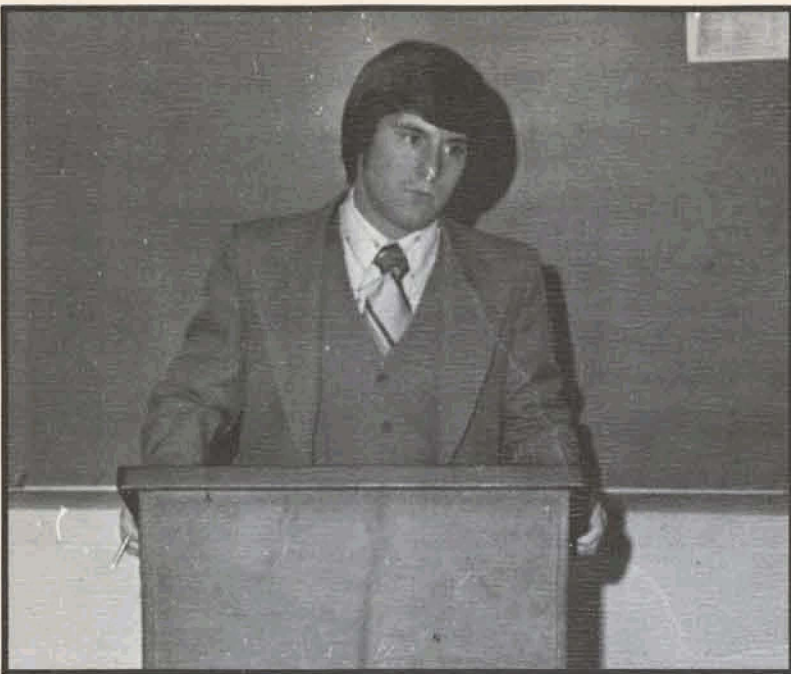

The insignia and creed epitomize the meaning and purpose of the fraternity. As a heritage of the past, they symbolize what Zeta Tau Alpha has believed in and stroven to become. The fraternity will continue, as it has in the past, to brighten the college years of many young women through a broad program of activities. Each chapter embraces a program of friendship, social activity, and community service of benefit to its members and others. Zeta encourages each member to be herself while contributing to this past heritage and continuing its excellent amalgamation of love, fun, and service to others.

(Left to right) Tim Whitfield, Phil Owens, Donald Wright, Jim Alford, James Hytt, Tom Leonard; (Last row) David Williams, Terry DeLasalle, Jim Harvey, Dr. Lower, Ray Kethley, Frank Granger, Steve Branton.

Right: Dale Sterritt, President presides over a Sales and Marketing Club meeting. Below: Each meeting brought up questions and group discussions on Marketing.

Delta Sigma Phi

Pat Dowling accepts the Muscular Dystrophy trophy for Delta Sigma Phi.

Joe Crews receives United States Flag that flew over the capitol from Congressman Joe D. Waggoner.

(Left to right) Nelson, Cameron, John Garriss, Mike Stoops, Clay Vise, Pat Dowling, Mike Norman, Nick Goeders, Joe Crews, Bill Bolinger, Stuart Pitts, Ken Jones, Lance Graham, Wallace Rowan, George Henderson, Mike Turner.

Delta Sigma Phi, the first international social fraternity at LSU-S, has achieved several other firsts this year.

The first annual LSU-S Dancethron for Muscular Dystrophy was co-hosted by Delta Sigma Phi fraternity and Alpha Phi sorority. The Dancethron and door-to-door collection raised over \$3700 for Muscular Dystrophy. In addition the Delta Sig chapter manned the phones during the telethron itself.

Another highlight of the year was Congressman Joe D. Waggoner, Jr., being the main speaker at the November alumni-chapter dinner. Congressman Waggoner presented an American flag that had flown over the United States Capitol to the chapter. The flag had been donated by Congressman F. Edward He'bert, an alumnus of the Tulane Chapter.

Individual Delta Sigs received honors this year, Stuart Pitts, past president, was runnerup in the 1975-76 Delta Sigma Phi Outstanding Active contest. Mike Norton, senior chemistry student, participated in an undergraduate research program sponsored by the National Science Foundation at the University of Arkansas. Pat Dowling became the president of the Student Government Association.

MATH CLUB

"The Linear Transformations" is a small group composed of students who believe that a mathematics background can be put to immediate practical use. The five students forming the core of the group are Bob Roose, Buzz Collins, Karen Irvin, Mike Norton, and Mike Sinclair (not pictured above). Due to the size and close-knit nature of the group, it functions in a less formal manner than similar clubs.

Some students believe that we work even numbered problems for one hour each week and, of course, we work quickly, silently, and seriously. We would like to dispel this notion. We gravitate toward projects we feel will be enjoyable, preferably related to mathematics. The concept of compatibility was brought to the club's attention early in the fall semester. Since that time the club has worked cooperatively with various faculty members in composing a prototype computer-dating program for LSU-S students. This program represents the first use of the university's computer facilities by a club. Needless to say, the preparation of a workable questionnaire which will give an indication of compatibility, while keeping an eye toward necessary programming procedures has been quite challenging.

(Left to right) Mike Norton, Bob Roose, Buzz Collins, and Karen Irvin; (Not pictured) Mike Sinclair.

ALPHA

EPSILON

ETA

(Left to right) Jerry Heidecker, Karen Orr, Dr. John G. Hall, Jeff Goldsby, Sharon Flowers, Sharon Haughee, Nancy Nettles, Roger Arnold; (Not pictured) Wanda Cunningham, Jim Webster.

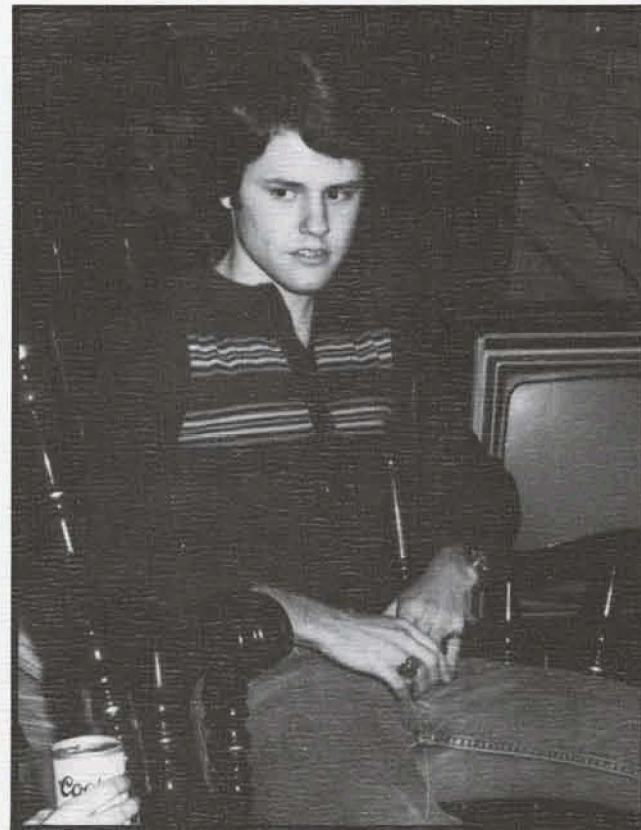

The goal of Alpha Eta Epsilon is to promote an interest and participation in the varied aspects of modern agriculture and to fulfill the interest of the students concerned with the many different areas of agriculture. The first activities of the club included a membership drive cookout, sponsoring a livestock judging team for the Louisiana State Fair, and a trip to the Red River Experimental Station. The activities are designed to teach the members new techniques in selecting and raising plants and livestock, as well as understanding the specialized jobs of people in the agriculture field.

BAGATELLE

The Bagatelle is the designated name of the LSU-S yearbook. This 1977 yearbook marks the tenth book published since the school's opening in 1967. The Bagatelle editor and staff have strived to capture not only a feeling of LSU-S, but also of Shreveport and the surrounding area. In addition, we have tried to include both local and national current events. Included was our recent presidential election and a host of nationally-known speakers. Our main objective, however, was to include you, the student, in an effort to show life, good and bad, at LSU-Shreveport. It was our contention to create a book that not only reminded you of LSU-S, but also of the area in which we all live and work. It might seem this book has little to offer in meaning now; but perhaps in another ten years we can open this book and see how we, as a people and a town, have come to grow and change.

Rodney Watson — Editor in Chief.

George Henderson — Treasurer
Pat Dowling — President
Karen Henry — President Pro Tempore
Chris Smith — Vice-President

The Student Government Association is the elective governing body at LSU-S. It is composed of 28 senators from the five colleges and its officers.

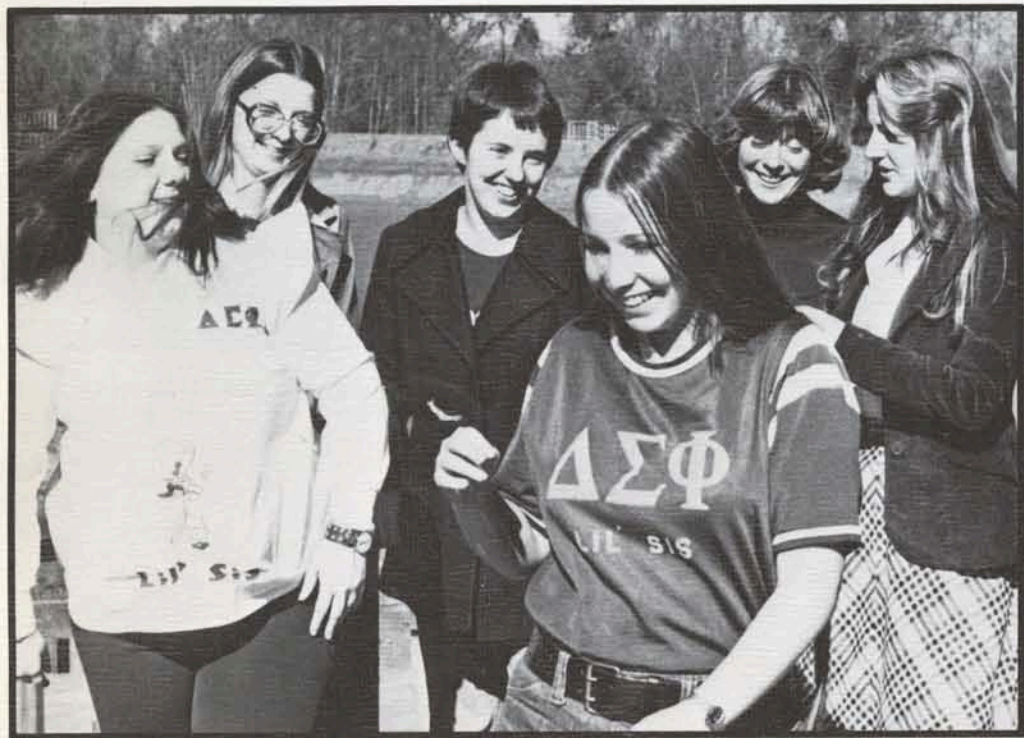

The SGA strives to develop programs and activities for the students. Among the programs offered are the Book Referral Service, Short-term Loan, and Campus-Wide Discussion.

The most important role the SGA has is its voice in student affairs. Problems concerning student welfare can be brought to the attention of the administration through SGA.

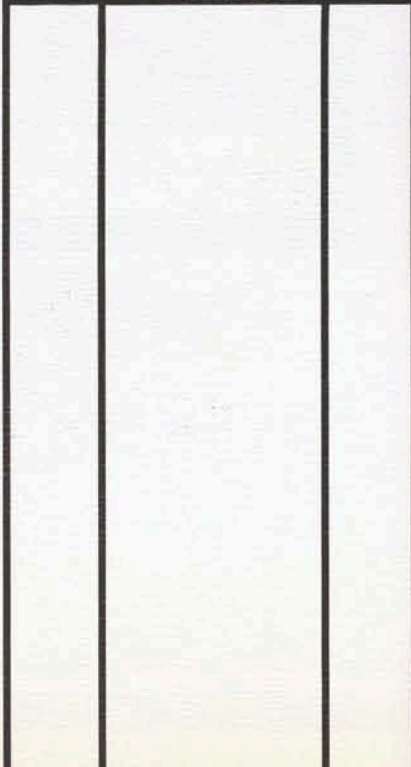

(Left to right) Elaine Rowan, Denise Hiddleston, Jeanie Jenkins, Cathy Dominique, Susy Boddie, Jackie Moore, Debbie Cook.

"Accentuate the positive, modify the negative." This is the philosophy of Chi Psi Zeta, a new social order established at LSU-S in September, 1976. XYZ is an independent new group, made up of girls who felt a national sorority did not meet their needs. Chi Psi is small now, but we are anxious to grow in numbers. We will be involved in service projects throughout the year, as well as in social functions. Chi Psi Zeta's are close friends, and welcome new ones.

Biology Club

Lambda Sigma Upsilon is an informative and educational organization which offers valuable experience to the student who wants to become more aware of the natural world around him. The club was formed in 1967 and has since become one of LSU-S's most active organizations. Its goals are to promote widespread understanding of scientific truth to broaden the scope of classroom education, to assist in the collection of specimens for the Life Sciences Museum, and to preserve the environment. The Biology Club is funded by membership dues and solicitation of donations from area businesses and civic groups. The money is used to fund trips and purchase required equipment.

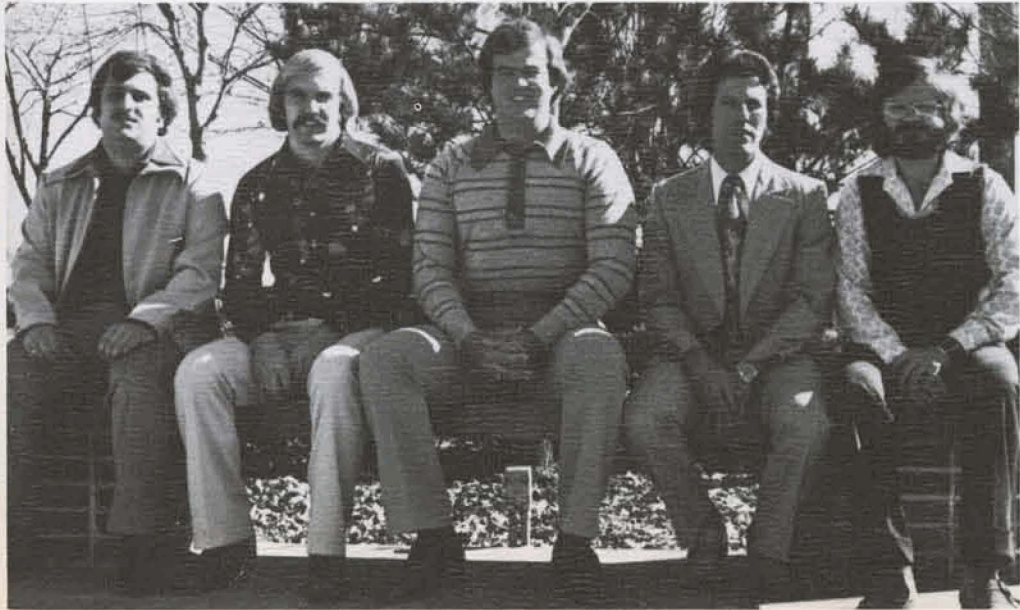

ACCOUNTING CLUB

The LSU-S Accounting Club's purpose is to help prepare the accounting major for his future role in the business environment. Club members, addressed monthly by a guest speaker from one of the fields of private, public or governmental accounting, have the opportunity to hear and question accountants in several different positions and find out "what it's really like" outside the realm of academics.

Other objectives of the club are to assist the future accountant in preparing for the CPA Examination and to keep him informed on current topics and changes affecting the profession.

(Front, left to right) Charles Asseff, Faye Boyett, Jim Harvey, Chuck McAllister; (Back, left to right) Mr. Ken Owen, Larry Thomas, Jerry Kutz, Randolph Arabie, Ken Moulder, Thomas Bebee.

OFFICERS — (Left to right) Charles Asseff, Vice-President; Jerry Kutz, Athletic Director; Randolph Arabie, President; Chuck McAllister, Secretary; Jim Harvey, Reporter; Thomasanna Marr, Treasurer (not pictured).

Delta Omicron Mu

Dr. Spaht, on a coffee break?

Delta Omicron Mu, more affectionately known as "Dirty Old Men," was organized in 1969, on the LSU-S campus as a social, academic and civic readjustment program for veterans. The affectionate title may now be archaic as the veteran's organization now encourages and accepts female members "Dirty Old Mamas." DOM places as its first priority the academic excellence of its members. It strongly encourages brotherhood to insure academic assistance to its members.

DOM maintains an active social calendar which centers around monthly "get-togethers." This year functions included a hayride, masquerade party, valentine party, family play day and spring field day. The highlight was the annual Christmas banquet and dance.

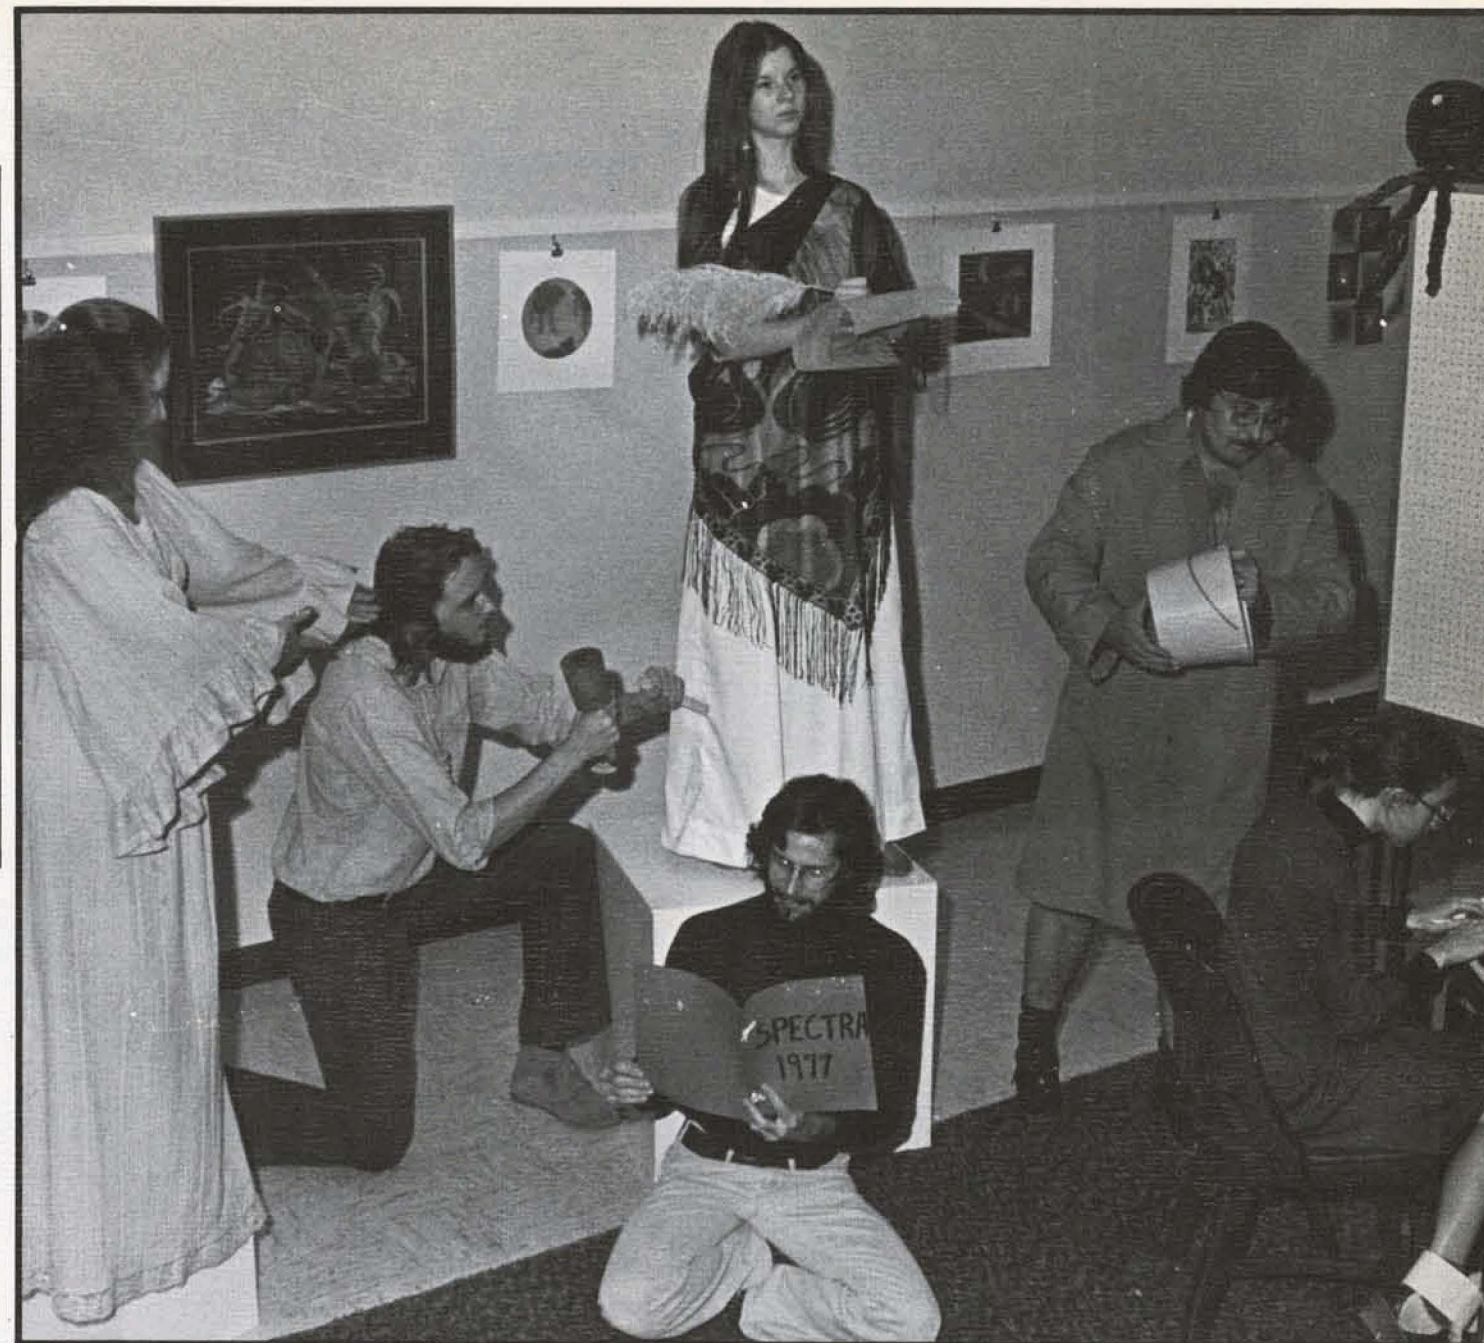

DOM also extends itself to community projects. The fraternity annually collects toys for the Christian Service campaign "Toys for Tots" and then aids in delivering these toys to needy children in the Shreveport area. A book drive is held during the spring semester to provide books for patients in the V.A. hospital. In addition, this year the fraternity helped host the St. Jude's hospital charity dance.

To meet financial obligations for the support of DOM projects, the fraternity sold LSU-S license plates. The fraternity is sponsored by Dr. Don Smith and Dr. Carlos C. Spaht, II.

(Left to right) Gene Kelly, Gary Blackshire, Bob Phillips, Bob Spartman, Norb Scheitler, Richard Snapp, Hubert Williams, Bill Lyons, Kevin Kelly (Chairman), Dale Garaffa, Dr. Don Smith (Faculty Advisor), Ed Sanders.

S p e c t r a

Spectra, the LSU-S literary-artistic magazine, is the culmination of the creative ability that exists in each of us. The staff invites both students and faculty to contribute to *Spectra*, to share a part of themselves with LSU-S.

The source of the spontaneous creativity in the Pygmalion artist is the Muse of the Imagination, the guiding genius engendering life into the sculpture. This creative impulse inspires words of intellectual beauty onto the figure's scroll and into the typewriter of the enslaved *Spectra* typist, who perfectly records for — who else? — the *Spectra* reader. The *Spectra* reader here is a pensive thinker, projected into a utopian world of fantasy. The creature in the gaudy raincoat represents the omnipresent force of reality which threatens to drown the artist's imagination with cold, hard, mundane facts.

Spectra is distributed in April and is free to students and faculty.

(Left to right) David Welch, Roy Murr, Tommy Brown.

The Intramurals Department conducted a wide variety of sports leagues, tournaments, ladders etc. . . . During the last semester and has plans for more of the same for this coming semester.

We held a singles tennis ladder during the fall 1976 semester and after much bouncing back and forth Johnel Huddleston emerged the winner. We held our first pool tournament during the fall 1976 semester at the Guys and Dolls Lounge in downtown Shreveport. Keith Hartstein was the eventual winner and was presented with a pool cue.

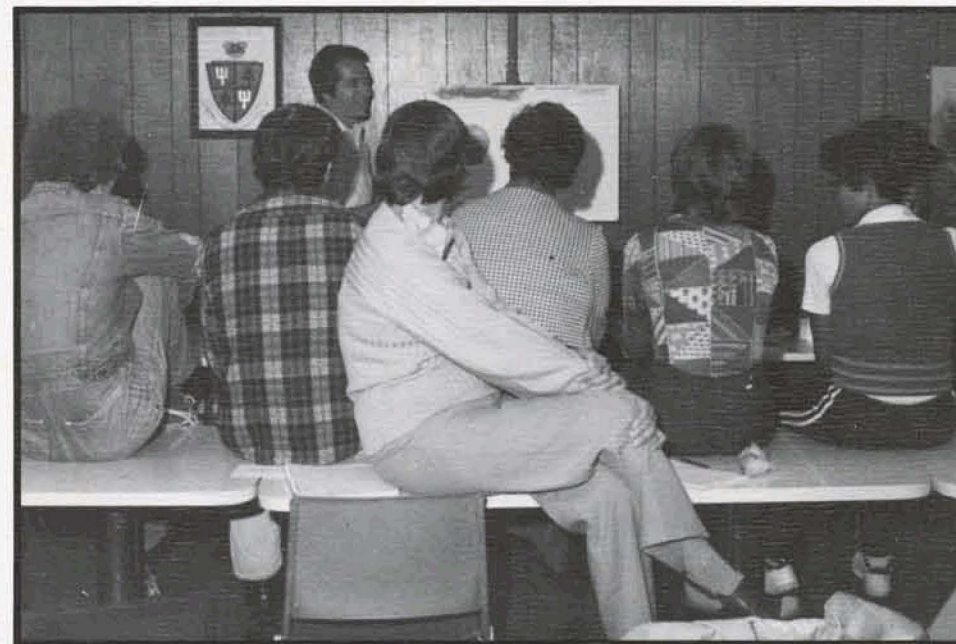

During the fall 1976 Flag football season the Donuts won the Tuesday league and the Faculty Team (Revenge) won the Wednesday league. After a hard fought battle for the overall championship the Donuts emerged as the overall champions.

After an interesting first season for the powderpuff football league the Alpha Phi team won — being undefeated winners.

We took an All-Star team of guys and girls down to Baton Rouge for the annual Flag Football Championships in November 1976. The guys were defeated in both their games, but everybody enjoyed a really pleasant time in Baton Rouge. The girls played two hard-fought battles with two teams from other colleges and were narrowly defeated by both. With a little bit of polish we are hopeful that our girls' team can do much better this year.

After a lot of changes with first place teams the Just-4-Fun team won the fall 1976 bowling league. As usual we all bowled at Tebbes Bowlero on the Shreveport-Barksdale Highway.

The Misfits team won the volleyball league (which was played at Fort Humbug) for the fall 1976 season. Zeta Tau Alpha won the girls' division. We had a softball tournament at the beginning of the fall 1976 semester and had quite a lot of good active participation. The Faculty team (Revenge) ended up as being the overall winners. We are planning a full calendar of events for the spring semester and welcome any suggestions.

Art Club

Don Alexander gives a painting demonstration to the art club.

Chemistry Club

In recognition of the growing number of chemistry students, the LSU-Shreveport Chemistry Club was reorganized in the fall, 1976. The club provides opportunity for the members to observe various aspects of chemistry outside the academic atmosphere. While the club is barely a year old, it has had several important speakers. Dr. John B. Sardisco, Manager, Inorganic Chemistry Division, Research Department, Pennzoil Company, presented a paper on "Fertilizer Production" that had been initially presented at the National American Chemical Society meeting in San Francisco. Dr. Manos, LSU-S Medical School, presented a talk on marihuana and the growing field of toxicology and pharmacology. Dr. Ron Martin, Chemistry Department, LSU-S, gave the first of a series of lectures on faculty research. The club has also visited the Pennzoil Research Department to observe industrial research chemistry.

Since all work and no play makes a dull student, the chemistry club has had several great parties.

(Left to right) Dr. Basil Cutsikis, Ed Micinski, Johnny Rachal, Sheryl McKinnon, Nancy Nettles, Liz Wheeler, Mike Daniel; (Back row) Fred Tucker, Steven Balf, Mike Tilbery, Al Strange, Jim Nordin, Mike Norton, Stuart Pitts, Rick Morrison.

Republican Club

The LSU-S Young Republican Club was organized in September, 1974 to provide students with an opportunity to express their political views and a means to obtain a practical political education. This year much of the club's time was devoted to the Presidential campaign. Many members worked at the Caddo Parish Republican Headquarters and assisted in the preparations for Senator Robert Dole's visit to Shreveport.

In an effort to increase political awareness on campus the club sponsored several speakers who discussed current political affairs. Among these were Mr. George Despot, Chairman of the 4th Congressional District Republican Party, Mr. Ron Bean, Caddo Parish Police Jurror, and Mr. Dan Grady, candidate for city judge. Also, a documentary film entitled "The Price of Peace and Freedom" was presented for the student body and the community.

Future plans for the club include continued work in political campaigns, voter registration drives, and a renewed effort in generate student interest and participation in politics as a whole.

Alpha Sigma Omicron, the LSU-S honor society, seeks to encourage the high ideals of leadership and scholarship in our university by awarding honorary membership to those students who demonstrate excellence in their individual fields of study. Students nominated for these awards are required to have at least thirty semester hours of credit and maintain a 3.5 overall grade point average. An initiation ceremony in honor of the new members is held each spring semester at the honor society's annual initiation banquet.

Alpha Sigma Omicron, in addition to being an honor society, has consciously evolved into a service-oriented organization, by sponsoring free weekly tutoring sessions for all LSU-S students. In addition, the university administration has asked the honor society to participate in the annual Honors Day Convocation and to usher at the LSU-S graduation ceremonies. Alpha Sigma Omicron has also been responsible for a display of faculty and student work in the library.

In an effort to continue its service to the university, the honor society has annually made donations to the library. These gifts include \$250 for the purchase of microfilm, and \$150 for the purchase of books.

In coming years, Alpha Sigma Omicron will continue to maintain its high standards of scholarship and service in preparation for the possibility of becoming part of Phi Kappa Phi, the national honor society.

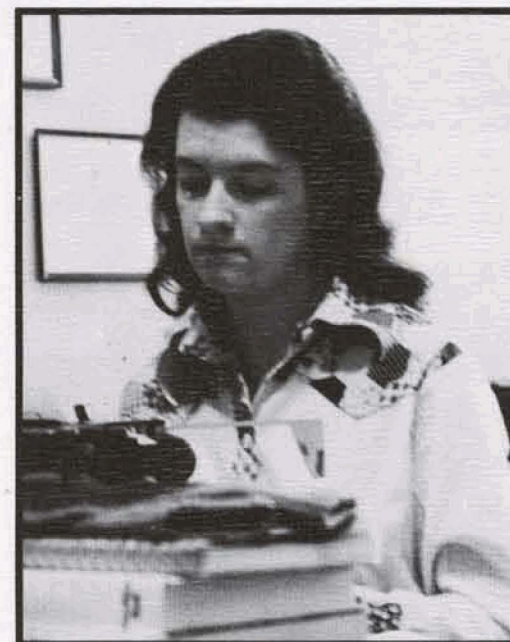

John Riddle, Copy Editor and Don Waitt, Feature Editor look over the week's copy.

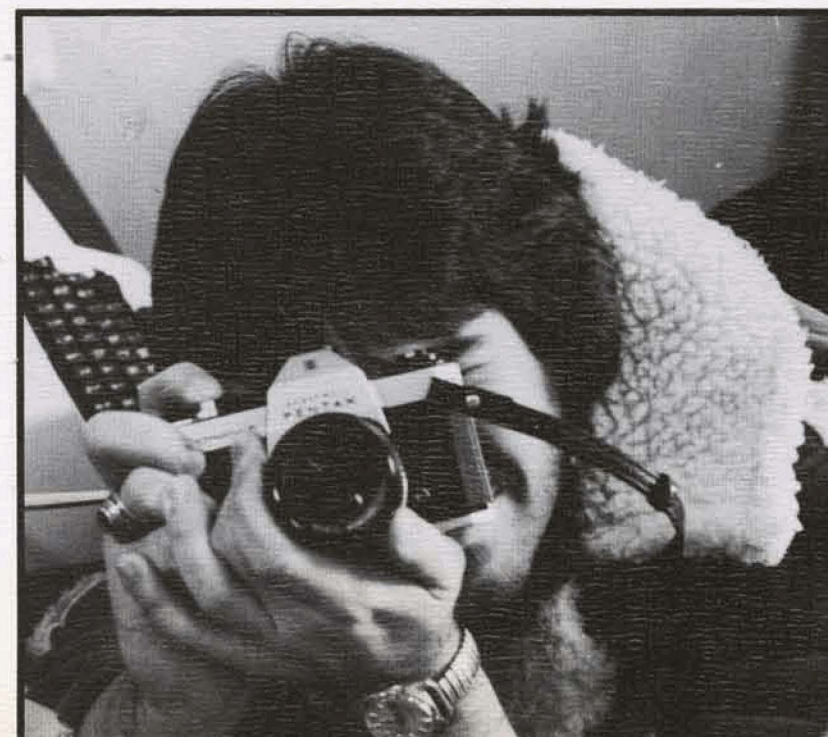

Fall Semester Editor, Kay Owens; Faculty Advisor, Dr. Robert Russell and Spring Semester Editor, Gina Gordy discuss Almagest Editorial Policy.

ALMAGEST

Sports Editors, Renee Slette and Sam Moore prepare the Sport's page layout.

Above: Raelene Pell, Business Manager.
Left: Bess Maxwell, Editorial Assistant.
Below: Photographer Rocky Goodwin can't take his eyes off you!!

The Almagest, the official newspaper of LSU-S, provides information for students and faculty and serves as a laboratory where journalism students gain practical experience in the production of a professional newspaper. The Almagest supplies timely news, editorials, features, surveys, commentaries, entertainment and photo coverage relating to university and community activities. Most articles are written by staff members but we also encourage student and faculty contributions.

Many changes in Almagest format, style and news coverage have progressed during the past 11 years. Instead of a four-page tabloid printed on glossy paper we now present the university with an 8 to 12 page newsprint every Friday, excluding holidays and final exams.

Staff members are involved in nearly all phases of putting a newspaper together. Almost all photographs, copy and cartooning are done by staff members. We write, edit, lay-out, proof and paste-up copy. Advertising has doubled since 1974 and circulation has risen to 2500. Staff photographers are responsible for taking, developing and printing pictures.

The Almagest enjoys a large degree of freedom in deciding what is to be printed in the newspaper and has experienced no problems with censorship. Responsibility for content lies with the editor and copy is not submitted to the faculty advisor for approval prior to publication.

The Almagest has been presented with a first class rating from the Associate Collegiate Press consecutively for the past two years and we plan to work very hard to continue our tradition.

SAB

The Students Activities Board is geared to supplement the student's school life at LSU-S with social programs. Besides the regular Friday night movies held in the SLA, the SAB held four dances featuring groups such as Fat Back, Southern Comfort and Earth plus a "disco" dance.

The Coffee House Circuit was replaced in the spring with the Shack Rap which presented a series of speakers who discussed current events and controversial issues every other Wednesday.

The First Annual Tricycle Race was held in the fall and, by popular demand, was brought back again in the spring as the Tricycle Obstacle Course. Horse racing was brought to LSU-S in film form with "A Night at the Races" held in the SLA. It was a good facimile of true horse racing with the tickets, racing forms and betting.

Other entertainment included one-man concerts by Dave Sherman, Mark Henley and Keith Stegall, who performed twice. Bermuda Triangle also gave a concert at the first of the spring semester.

S i g m a A l p h a U p s i l o n

Since the early years of LSU-S, Sigma Alpha Upsilon Psycholinguistic Service Fraternity has been serving LSU-S and the community of Shreveport. Sigma Alpha Upsilon is gaining a reputation as the helping hands of LSU-S, and the "Let's Play Like" children's plays because of the two divisions of the organization. The Helper's Division is volunteer service done by its members. The Players Division is the other division of SAU and it has gained a reputation that is even more widespread than that of the Helper's Division. We, as members, hope to continue our aim — that of giving ourselves through service.

Moa Afrika

(Left to right) Bobbie Shaw, Glenzetta Walker, Shirley Williams, Mary Smith, Jennifer Williams; (Second row) Sebrum Coleman, Gene Kelly, Donald Lewis, Larry Smith, Kerry Fellows, Greg Bradley.

Moa' Afrika was started to give a sense of togetherness to the Black students on LSU-S campus. Its main objective is to promote academic success among the students. The club has its own tutoring sessions and book exchange. Mrs. Doris Lynch is the faculty advisor. Kerry Fellows has been the dedicated leader since the club's beginning. Some other activities have been two dinners for needy families at Christmas, a club picnic, and a Christmas party. Moa' Afrika has as its motto "A wasted mind is a terrible thing." The club welcomes any interested people. Moa' Afrika translated is descendants of Africa.

Baptist Student Union

OFFICERS — (Left to right) Denia Angevine, Pam McCormick, Debbie Freeman; (Back row) Sue Carroll, Carl Smith (BSU Director), Guy Murphrey, Martha Clement (Asst. BSU Director).

You plan and dream . . . and then you finally arrive. You meet people, you receive cards and slips of paper and instructions, and you listen, and you stand in line, and suddenly . . . you're miserable. Even while your face is smiling, you are crying inside. You feel uncertain and alone in a cold new world. This is where the Baptist Student Union comes in. Because of the way it is on campus — sometimes, you need a supporting fellowship. That's Baptist Student Union. It's not a closed organization. It's just close. Close because Baptist Churches want to help you to adjust to involvement in the academic world. They know you'll be confronted with questions, and problems, and occasionally, just free time on your hands.

Perhaps they think of this fellowship as a leave or catalyst. Within it, you debate and discuss; you play and rest; you think and pray; you worship and study. You share your problems with another student and he shares his with you. Out of the fellowship comes a team effort for Christ. You reach out to the community through State Fair projects and week day missions, and other expressions of concern. You are stronger as an individual on campus and in your church.

The whole picture begins to emerge and you grow academically, spiritually, and emotionally. You find your faith relevant to your knowledge. That's Baptist Student Union — a fellowship of concerned students growing together and representing Christ on campus.

(First row, left to right) Bo Stewart, Sherry Kidd, Mona Lee, Randy Festervand, Bobbie Ann Sims, Sue Carroll, Pam McCormick, Denia Angevine, Martha Clement, Guy Ben Murdhrey; (Back row, left to right) Paul Poole, Jeff White, Carl Smith, Steve Brewton, Will McConnico, Dave Oliver, Robert Beadle, Lee Steglich, Terry Owens, Jerry Matthews, Debbie Freeman.

Psychology Club

Psychology is a growing science of diverse endeavors, with outgoing research resulting in a constant gain of knowledge. Therefore, the Psychology Club must serve many functions. It informs the members of the current developments. This is accomplished through field trips to mental health institutions and through professionals giving guest talks. The club provides an environment that encourages students to share their thoughts and ideas concerning the various aspects of psychology.

(Left to right) Dr. Mark Vigen, Ed Kintzing, Chuck Sicord, Joe Acosta, Mary Wisinger, Lee Steglich, Dr. Richard Flicker, Dr. Joseph Carlisle; (Back row) Jean Slaughter, Anne Parker, Susie Parker.

DEBATE TEAM

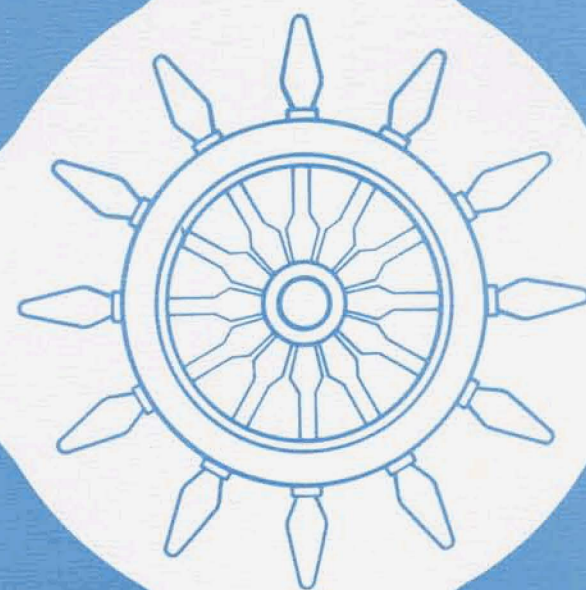

(Left to right) Donald Wright, Rebecca Hudsmith, Brian Lee, Raelene, Dr. Lower.

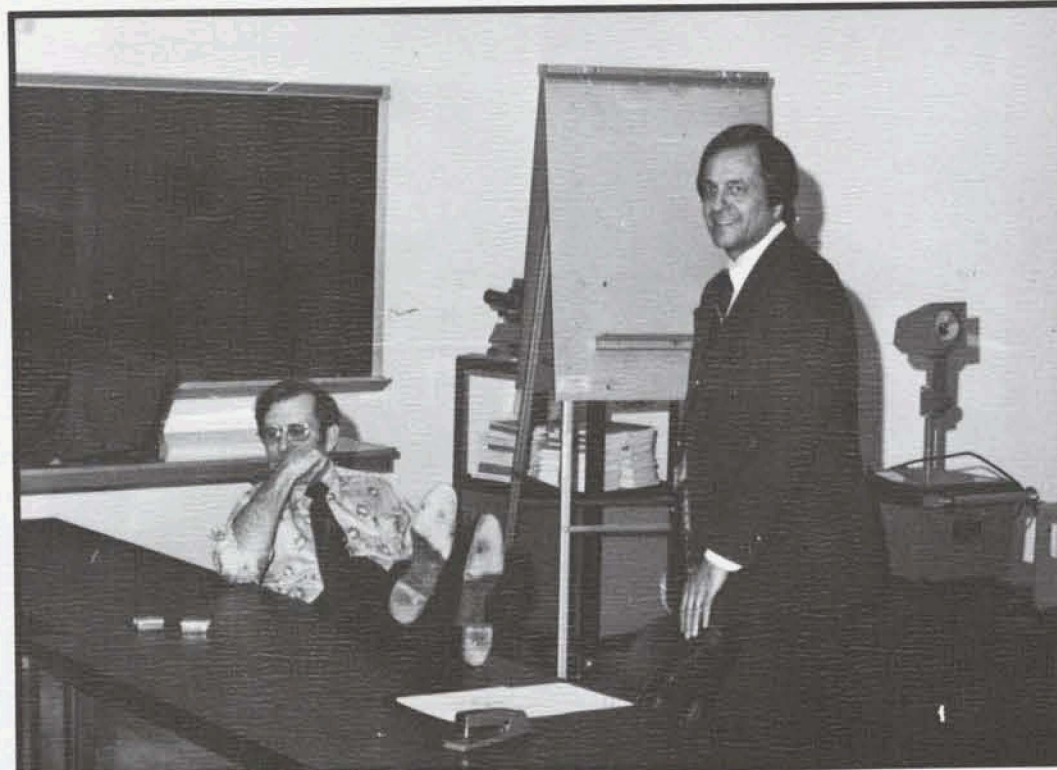

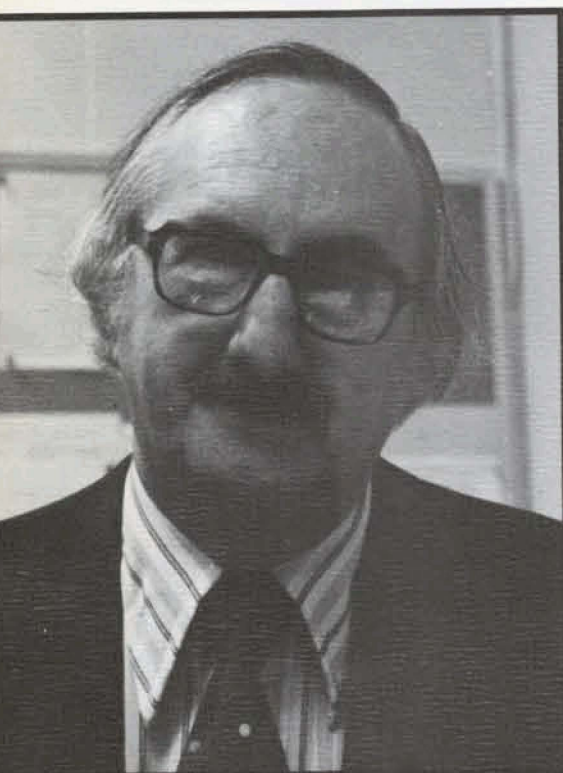

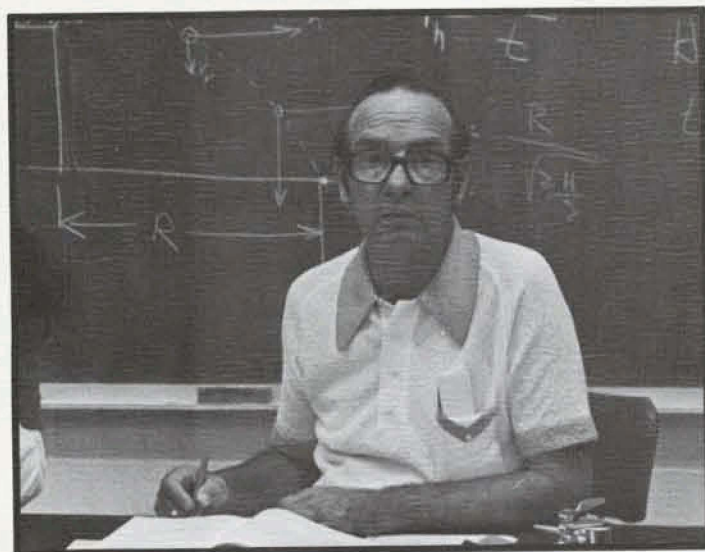

The debate team is the only school sponsored organization which represents LSU-S in competitive intercollegiate activities. In addition to debate, the students compete in oral interpretation, duet acting, oratory, extemporaneous speaking, and impromptu speaking.

This year the team participated in tournaments including the State Championship and the Pi Kappa Delta National Conference and Tournament in Seattle, Washington. LSU-S has the most recently established chapter of Pi Kappa Delta. The debate team also sponsors two tournaments for visiting colleges and universities. Each January we invite area high school students to our campus for a high school tournament.

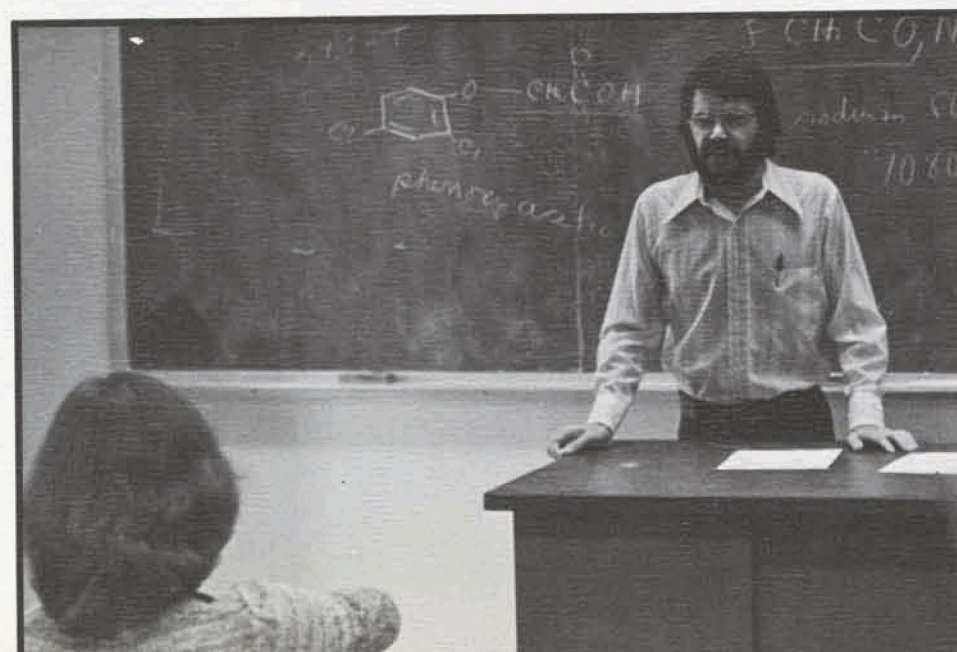

LSU-S has had the State Champion Novice Debate Team and the State Champion Extemporaneous Speaker for both 1975 and 1976. The LSU-S debaters were one of only two undefeated teams at the 1976 Regional Pi Kappa Delta Tournament.

FACULTY

FACULTY

Board of Supervisors

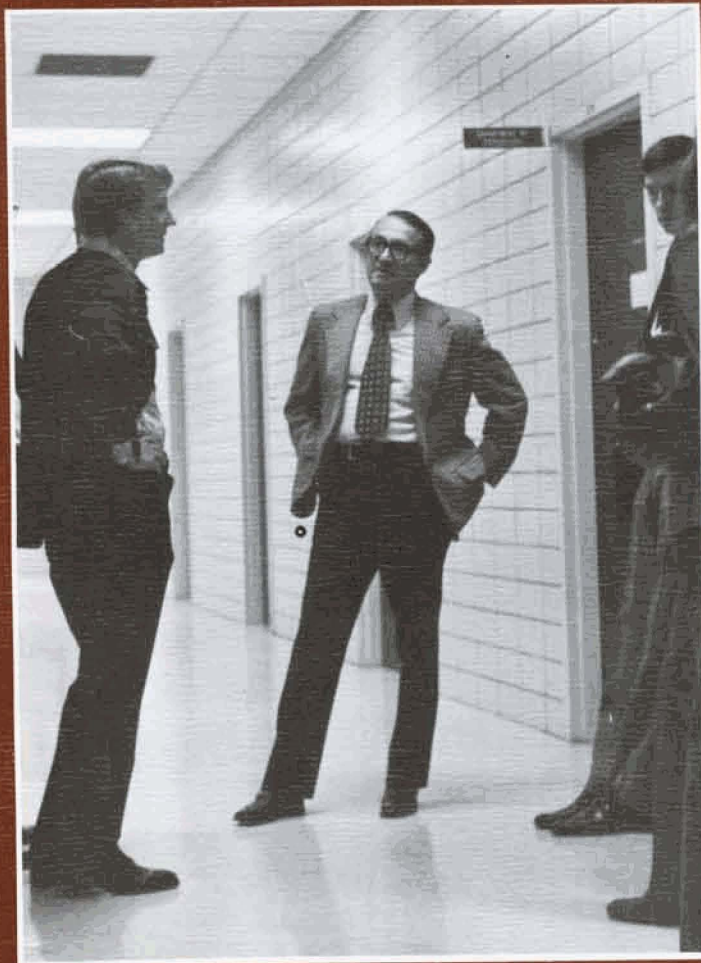

LSU BOARD — (Seated) Mrs. R. L. Miller, President Martin D. Woodin, W. S. Peck, Jr., Former Chairman; Chairman W. T. Brown, Chairman-elect O. P. Stockwell; (Standing) C. E. Romero, T. Schirmer, Student Representative; C. G. Spaht, J. J. McKernan, W. T. Hanna, Jr., Dr. J. R. Peltier, M. J. Foster, Dr. A. E. McKeithen, C. F. Gravel, Jr., C. V. Cusimano, G. E. Dore and J. Sherrouse, Jr.

CHANCELLOR

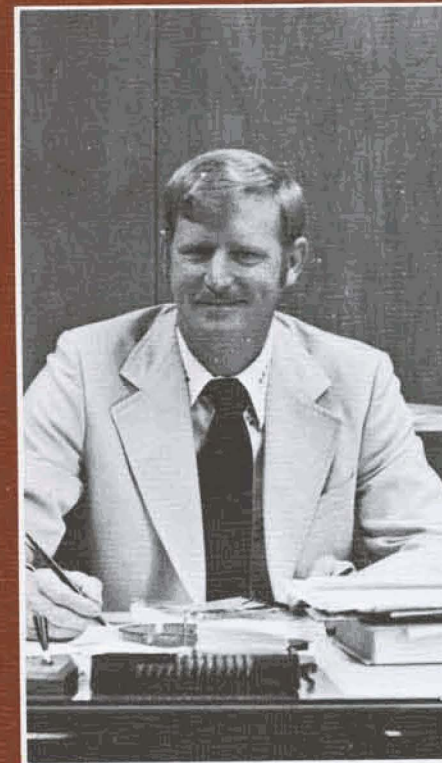

CHANCELLOR DONALD E.
SHIPP

As we complete ten years at LSU-Shreveport, it is proper to note the progress which has been made. LSU-Shreveport opened in the fall of 1967 with 807 students as a two-year campus. In 1977, LSU-Shreveport has grown to more than 3,000 students and offers baccalaureate degrees in about 40 different curricula.

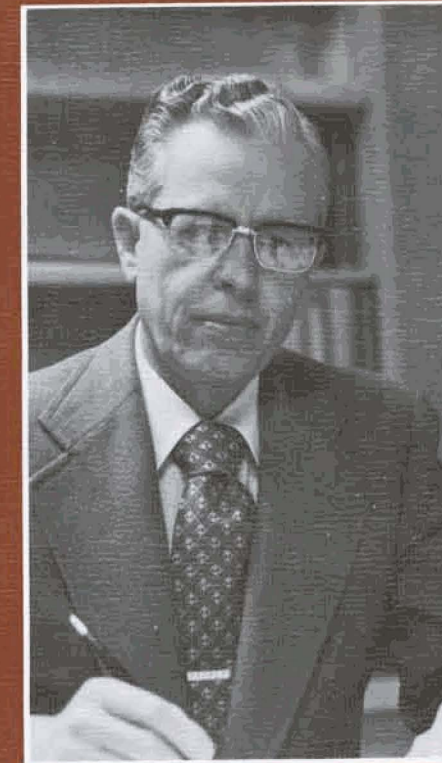

The absence of a gym and student center has curtailed the quantity and quality of activities which the university can sponsor for students and faculty. It is hoped that these two facilities will be available in the near future. We will all continue to work together to develop LSU-Shreveport in order that it might serve the higher educational needs of Shreveport and Bossier City.

VICE CHANCELLORS

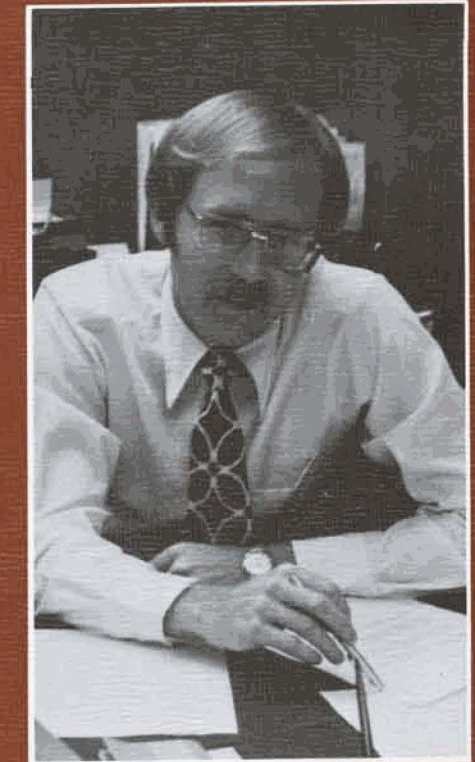

DR. GARY K.
BRASHIER

Dr. Brashier is the vice chancellor of academic affairs. He has done research work for Texico Research Labs in Houston, Texas. Dr. Brashier has also taught at Northeastern State University. He holds a Bachelor's degree of Science in Chemistry from Northeastern and a Doctor's degree from Louisiana State University in Baton Rouge. Dr. Brashier has been chosen to be the 1977 General Chairman of the National Rose Show. It will be held here in Shreveport in October.

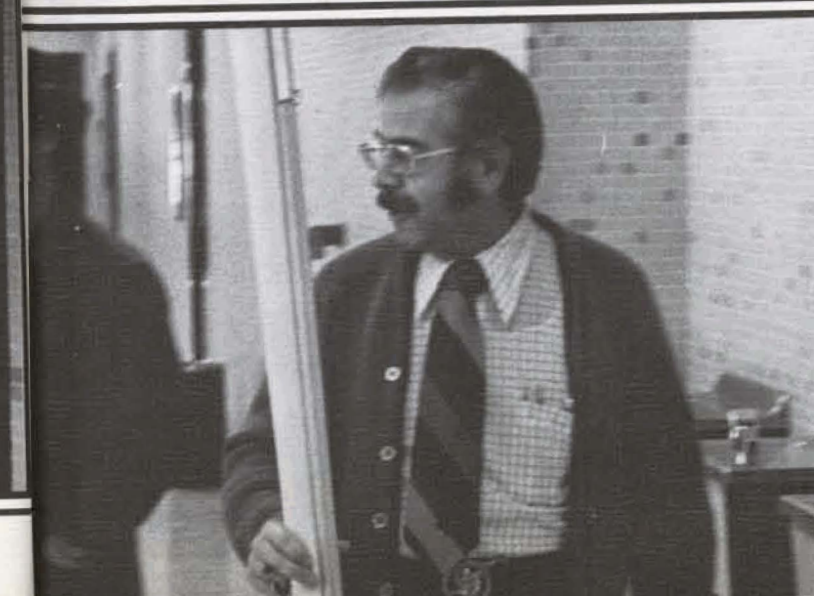

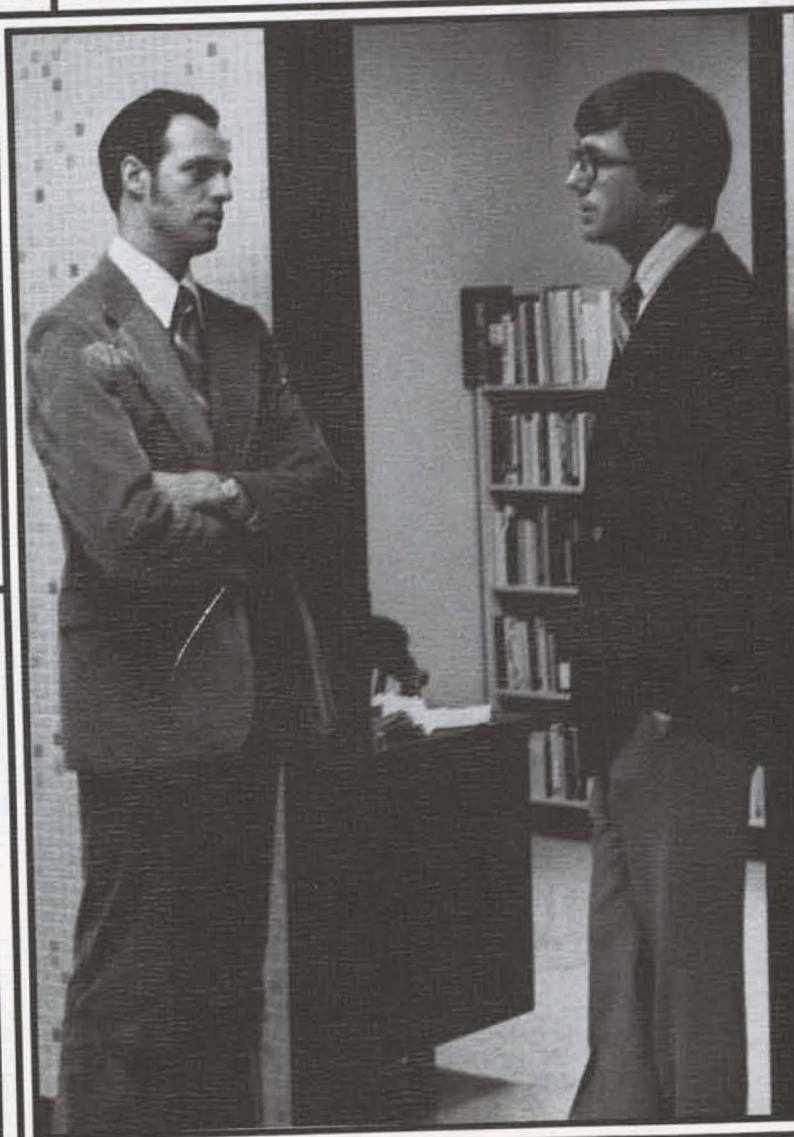

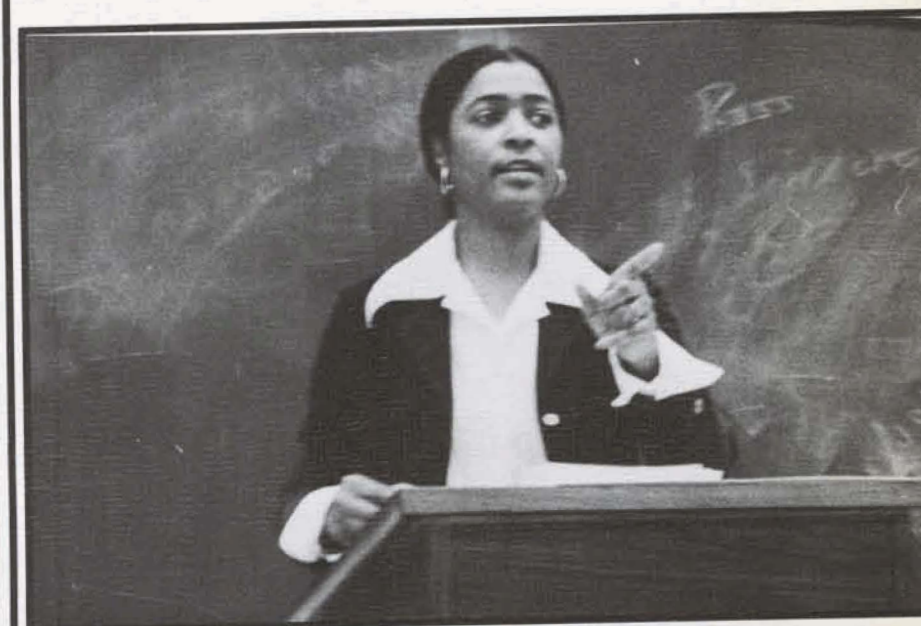

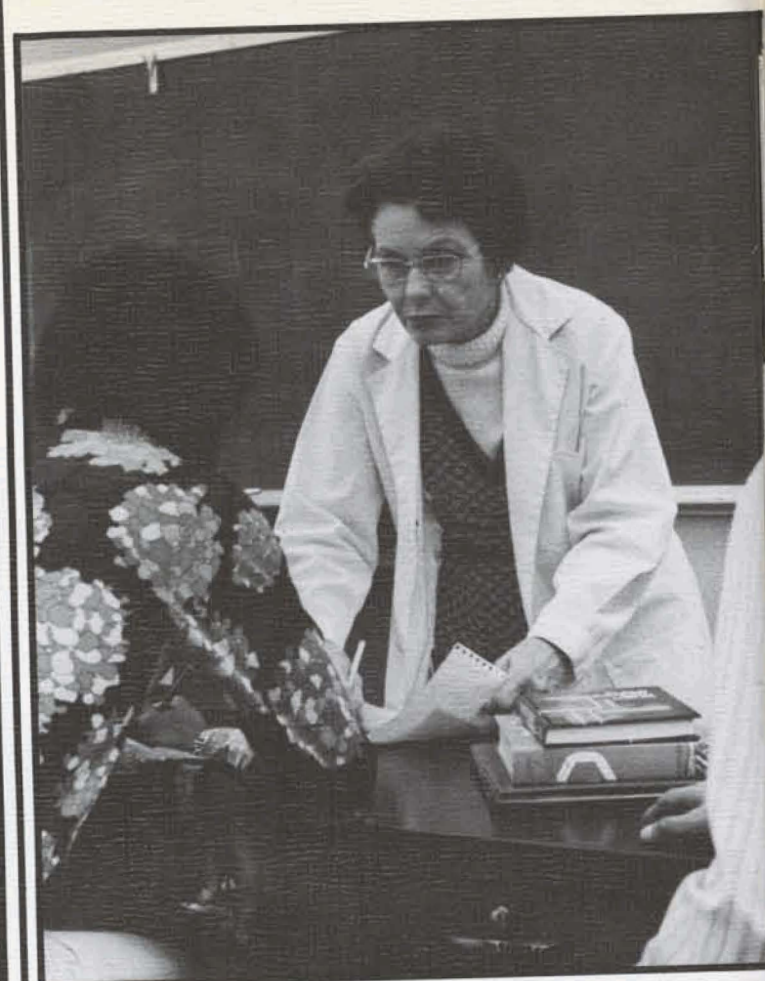

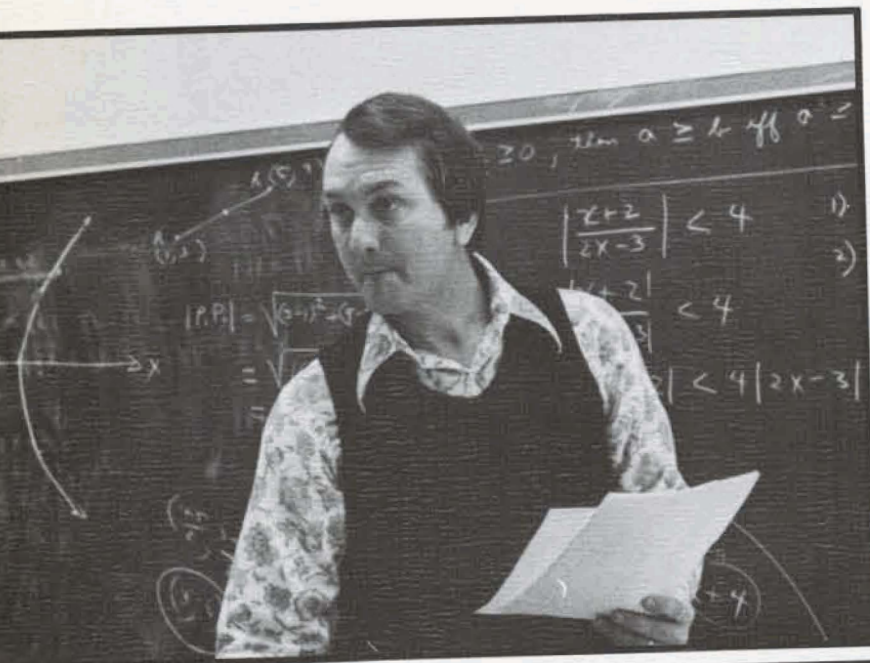

DR. A. J. HOWELL

Dr. Howell, before coming to Louisiana State University was a business instructor for Concordia Parish Trade School and was also the assistant supervisor of the Louisiana State Department of Education. Dr. A. J. Howell is the current vice chancellor of business affairs. He received his Bachelor of Science degree from La. Tech and his Master's degree in Education and his Doctor's degree of Education from Louisiana State University.

DR. JIMMIE N.
SMITH

The vice chancellor of student affairs this year is Dr. Jimmie Smith. He received his Bachelor's degree in Art from Louisiana Tech. He also has a Master's degree of Art and a Doctor's degree in Education. The former being from Louisiana State University in Baton Rouge and the latter from East Texas State University. Prior to coming to LSU-S, Dr. Smith was a faculty member at Centenary College.

*Doing What We Do
Best*

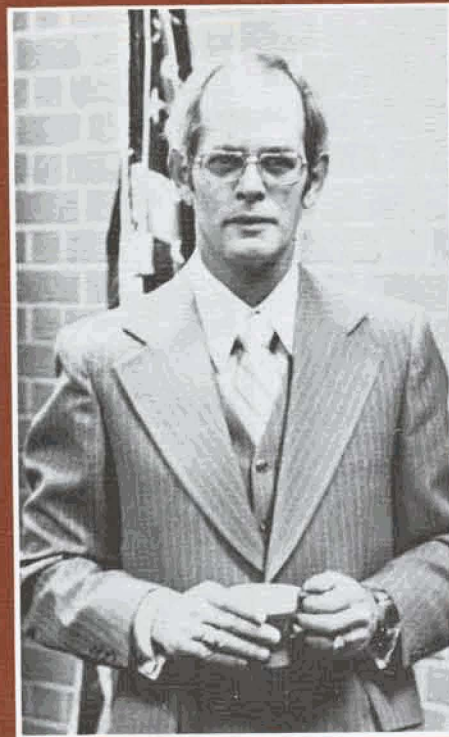

COLLEGE OF GENERAL STUDIES

**DR. VINCENT J.
MARSALA**

Dr. Marsala, the dean of general studies, received his dean title in 1973. He holds a Bachelor of Arts degree from Northeast Louisiana State University. He then went on and earned his Master's degree and his Doctor's degree at LSUBR. Dr. Marsala advises that students get use to the catalog to get a full understanding of the regulations of the university.

COLLEGE OF BUSINESS

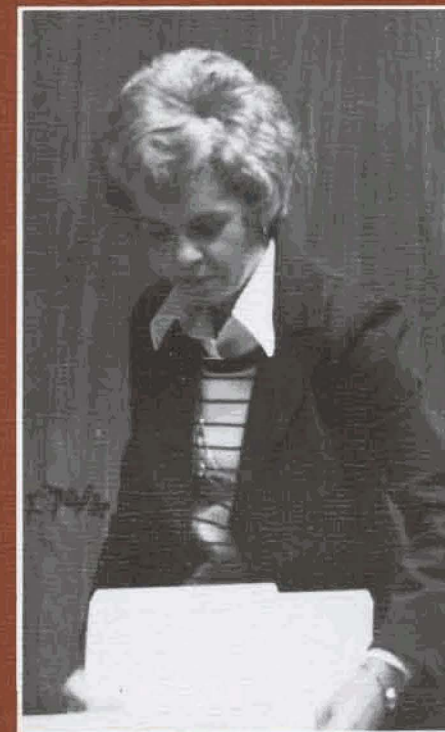

**DR. DON C.
WILCOX**

Dr. Wilcox is the new dean of Business. He has a D.B.A. from Mississippi State, a M.A. from LSUBR, and a B.S. degree from Nicholls State. He has taught at Louisiana Tech and is now serving on the governor's Council of Economics Advisors. "The Business Admin. Dept. is striving to build upon its competent faculty and program to better serve the interest of the students," reports Dr. Wilcox.

D E A N S

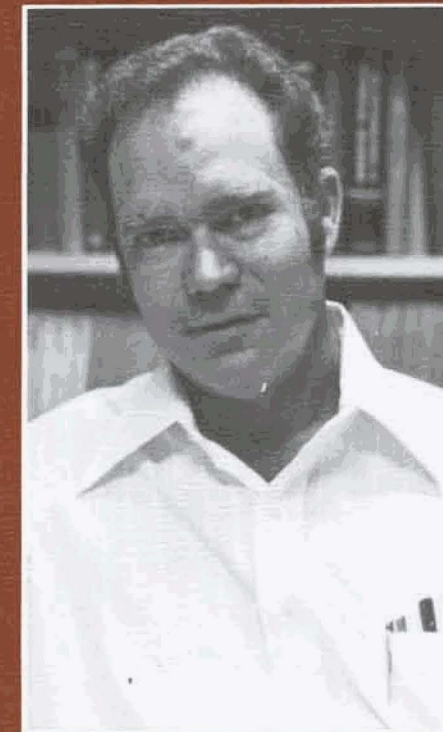

COLLEGE OF LIBERAL ARTS

**DR. MARY ANN
McBRIDE**

Dr. McBride believes that the most important aspect of the liberal art program is its flexibility in adapting the unchanging principles of the liberal arts tradition to the demands of the changing world. She is the current dean of the liberal arts program and is from Houston, Texas. She received her B.A. degree magna cum laude from Louisiana Tech and her Master's and Doctor's from LSUBR.

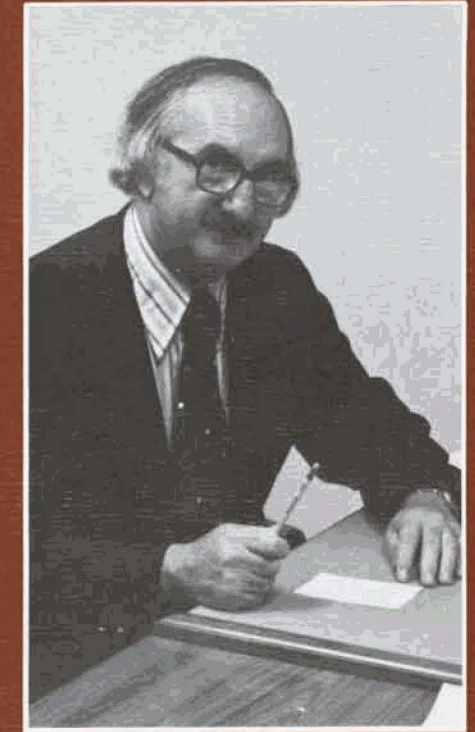

COLLEGE OF SCIENCES

**DR. THOMAS A.
MOSS**

The current dean of the college of science is Dr. Moss. He achieved his Bachelor's degree in Physics from Louisiana Tech. He also holds a Master's and a Doctor's degree from Louisiana State University. He has taught at LSU Baton Rouge and Northwestern University. He also worked for General Dynamics Corp. as a nuclear physicist.

COLLEGE OF EDUCATION

**DR. BOBBY E.
TABARLET**

Dr. Tabarlet, dean of the college of education emphasizes more on the important of learning and to de-emphasize certificates and grades. He feels that we have a strong faculty. Dr. Bobby E. Tabarlet received his Bachelor of Science degree from the University of Southwestern. He also holds a Master's degree and a Doctor's degree from Louisiana State University.

Faces

The End

As editor of the LSU-S year-book, I have come to learn that more goes on at a university than a lecture or a lab. What I have learned is that college is, in itself, a community of learning and growing, both intellectually and socially.

We, as students, strive to achieve a certain status and growth on many levels in college. It was mine and my staff's wish to capture these feelings in what is to become the tenth edition of the LSU-S Bagatelle. I apologize for misspelled names, blurred pictures, and what may appear to be less-than-perfect organization. I do hope that you can at least integrate yourself into a small portion of this book, if only by your mugshot or a blurred snapshot.

I know one thing — we as a staff have grown in many ways closer as friends and people in this hierarchy of learning and hope that you can perhaps be reminded of one perfect memory in what is to become a not-so-perfect book.

I would like to give special thanks to the following people for making my final year at LSU-S a memorable and fulfilling one as editor of the Bagatelle: Dr. Milton Finley, Dr. Mary Ann McBride, Mrs. E. Verduin. My staff — Jeff McKinnon, Natalie Williams, Monique Kolonko, Philip Burns, Leisa Maples, Carol Burns, Mark Elfervig, Mike Turner. Chancellor Donald Shipp, and Dr. Howell for their special considerations on our book.

Sincerely,

Rodney Watson
